HOME FIRE CLAIMS LITTLE LAD'S LIFE

East Exchange Street Fire Yesterday Morning Makes Very SadChronicles

T他是 very sad chronicle in the fire history of this city for many a day in the past. This is the first time that the little lad's name was added to the list of those in whose home the fire started.

Mr. and Mrs. Hill, a young couple of the best sort, were out in the city and left their two small children in the care of their grandmother, who was sitting in the living room near the stove. When they returned home, they found the house on fire.

The little lad was playing with matches in the living room, and accidentally started the fire. The house was totally destroyed, and the little lad was badly burned.

The fire department was called immediately, and the little lad was rushed to the hospital. The fire was put out quickly, and the little lad was saved. The family is left with nothing but their clothes.

LARGFIREAT TOPEKA KANSAS

Topeka House Burns to the Ground

TOPEKA, KANSAS. Friday, February 14, 1890.----The Topeka House, a large and imposing building, was completely destroyed by a disastrous fire yesterday afternoon. The fire started in the basement and quickly spread to the rest of the building, destroying everything in its path.

The cause of the fire is still unknown, but it is believed to have been started by a carelessness in the use of lighted matches. The loss is estimated at $50,000.

A large crowd gathered at the scene of the fire, and the firemen worked hard to control the flames. The fire was finally put out, but the building was a complete loss.

THREE TROCITIES

BOAT SHELDS FALLS WITH GREAT CRASH

Huge Flying Roof Over Leathers' Carriage Slip Goes Down Under Snow

Yesterday afternoon about 4 o'clock a very large and imposing building of Fourth and Water streets was started by a tremendous explosion over by the Leathers' shop, and out of the building went the big and huge flying roof. The explosion was so sudden and so tremendous that it caused great damage to the neighboring buildings.

The building was a large and imposing structure, and the flying roof was a major feature of the building. The explosion caused a great deal of damage to the neighboring buildings.

The cause of the explosion is still unknown, but it is believed to have been caused by a gas leak. The building was completely destroyed by the explosion, and the flying roof was carried away by the force of the explosion.

The accident caused great consternation to the people of the city, and many businesses were affected by the explosion.
