AMUSEMENTS

"SHORE ACRES."

Archie Boyd, who plays the part of

Nathaniel Berry in James A. Herne's great play "Shore Acres," which will be seen here at the Astoria Theatre next Saturday has long since taken rank as one of the best and most versatile character actors identified other meats fresh daily at Braden's with pastoral plays known to the stage in the United States where plays of this character have always been popular. Mr. Boyd has an in teresting personality. He was born in St. Louis where the members of his family are all prominent. As a story teller, Mr. Boyd has few equals. He relates most of his anecdotes in dialect embracing all nationalities. If you want dry fir cordwood, in- He is one of the most prominent ide fir, bark slab, or boxwood, ring members of the Order of Elks in the up Kelly, the Wood and Coal Dealer, contry. He has been untiring in his the man who keeps the prices down. labors in the upbuilding of that great organization. Mr. Boyd takes a keen interest in general affairs. He is probably better posted son political affairs and the condition of the country than any other man connected with stage life. He has among his list of acquaintances many of the prominent men of the country, including many governors of States, representatives and senators in Congress. As an after-dinner speaker he has few equals. At banquets he is usually new device in the way of perfect among the first to be called upon, comfort and service is constantly add- punctuating his speeches with clever ed as it develops. The latest is an anecdotes relating many unusual incidents that have come to him during his successful stage career. Mr. Boyd does not read newspapers alone. He is as familiar with the history of the United States as are the historians themselves. He has read what they have written and he has remembered what he has read.
