THE LAGUNA DAM

Now On.

YUMA, Az., March 31.-The celebration of the completion of the La guna dam is in full swing here. Excursion trains have brought large crowds from all territorial points and California. Governor Kilbey and other territorial and reclamation service dignitaries have arrived.

The mile of cement payement which crosses the bed of the Colorado river at Laguna had been prepared for the inspection of the public, and special ains will be run across the entire surface of the dam for the convenience of sight seers.

A giant barbecue was provided for the guests at the close of the cere monies. The streets were lined last night wit hthrongs of merrymakers and mingling with them were Indians from the reservation.

A parade depicting the progress of the Yuma project was reviewed by the governor. One hundred Cocopahs headed the procession in war paint and war feathers.
