TURK TALKS TURK.

And Incidentally Pays His Respects To Christians And Their Ways.

CHICAGO, April 24,-"The Turk s a blot upon civilization. He is a religious fantic and there will always be murder and revolution in Turkey and her provinces until the fanatical Mohammedan is packed across the Bosphorus to Asia and there isolated in some province where he may practice his religion undisturbed by civilized nations."

This statement is made by M. M. Mangasarian, a native of Constantin-

"This late uprising in Turkey, while supposed to be political," said Mr. Mangasarian, is entirely religious. The Armenians are all Christians and the Turks are Mohammedans. Christianity and Mahammedanism have Christian missionaries have been working in Turkey for over a hundred years and I challenge anyone to find half a dozen converted Mahammedans in the whole Turkish empire-All that the millions of dollars that have been spent by Christian missionaries have accomplished is the con-Baptists, Methodists, etc.

TEMBLOR VREATES LAKE.

Small Local Earthquake In California Is Reported.

LOS ANGELES, April 24-A special dispatch from Ventura says an earthquake, causing the slide of a great mountain of the Sierra range has changed the entire surface of Santa Paula canyon, dammed the Santa Paula creek and made a lake in the south fork canyon that in the wild beauty of its surroundings is said to rival Taho. The creek bed is Battle Will Probably Never be above its former level and the water pours out from over a fall 200 feet high. The new lake it is estimated is about 1000 feet long and 50 feet wide. The water is about 50 feet deep. The earthquake that threw the mountain out of place occured April 10. The shock was local in character, it not being felt at any of the nearby towns.

Senate Committee on Finance Discuss Duty on Wood Pulp and Paper Schedule

STEEL MEN ARE IN EVIDENCE

Petroleum Schedule But Believed the Rate as Fixed by the House Will be Agreed to.

WASHINGTON, D. C., April 24 .-Important work of picking up the loose ends in the making of the new tariff was begun today by the senate committee on finance. Wood pulp and print paper were items consider-NEW YORK, April 24.-Alfred ed and it was agreed that an amendment should be drafted by a subcommittee in the nature of a compromise between the manufacturers grounds. He was two laps ahead at of print paper and those who are demanding free pulp and reduced duties

on paper-The question of duty on coal was not considered by the committee but it has decided to recommend a continuance of the present rate. The steel men have been insisting that a rate of \$3.92 per ton on rails is too low to give the American manufacturers adequate protection. It has been expected that an increase to \$4.32 will be made on rails, but it is now regarded as settled that the rate by the house will stand. No action was taken on crude petroleum, but it is admitted that some protection will be provided for the independent pro-

ducers. It is not likely however, that it will be 50 per cent advalorum. No action was taken on the lumber schedule, it being generally admitted NEW YORK, April 24.-Ida M. that the rate fixed by the house will
