### FRIDAY AND SATURDAY APRIL 30 & MAY 1

### HAPPY GATHERING DOWN ON CLATSOP PLAINS

### MORRISON-MINTO FAMILIES HAVE REUNION AT OLD HOME-SITE.

The Morning Astorian is glad to give due publicity to the following letter from Hon. John Minto (than whom it knows no better Oregon citizen), telling of the happy gathering of the Morrison-Minto clans, on the old home-place down in Clatsop.

It is such reunions as this that make sound and saving history for the State, and lend example to other old and honorable families to keep the fine record going for the very general benefit of those younger and growing families to which the commonwealth must look for the maintenance of her nobler history. The letter reads as follows:

"Editor Astorian: "A family meeting of the kin of an honored pair of pioneer home-builders of the American occupiers of Oregon in 1844 met at the Morrison homestead on the 27th in obedience to the God-given order to 'Honor thy father and mother that thy days may be longer in the land which the Lord, thy God, giveth thee.'"

### UNVEIL S. DAVIS MEMORIAL.

NASHVILLE, Tenn., April 29.—A statue of Sam Davis, the noted Confederate scout who gave up his life rather than reveal the source of information he had gained inside the Federal lines, was unveiled here today with interesting ceremonies. The memorial occupies a conspicuous site on Capitol Hill and was erected with an appropriation made by the Tennessee legislature. It consists of a bronze statue of Davis, of heroic proportions, surmounting a granite base. The statue was modelled by George Julian Zolnay, the St. Louis sculptor. Davis was captured in the Federal

### WESTERN LEAGUE OPENS.

LINCOLN, Neb., April 29.—The umpire's cry of "play ball" resounds throughout the Western League circuit today and the baseball season of 1909 starts on the five months' pennant race. Rarely has a season opened so auspiciously for the Western League. Weak spots have been strengthened in all teams, and it is believed that at least five of the eight clubs must be reckoned as contenders for the championship.

Sioux City and Omaha retain their veteran organization of last season, and the first named city is picked as the favorite for the championship. Des Moines and Lincoln have apparently strengthened their teams and are likely to prove strong factors in the fight for the pennant. The outlook for Denver and Pueblo is not so promising and Topeka and Wichita are newcomers in the league, so that it is difficult to predict the part they will play in the championship race.

In the opening games today Omaha plays in Denver, Sioux City in Wichita, Des Moines in Pueblo, and Topeka in Lincoln. The schedule is for 154 games, with Sept. 28 as the closing date.

### RE-UNION OF BOARDERS.

NEW YORK, April 29.—The widow of Judge Cochran, formerly of Arch street, Pittsburgh, will hold a reunion Thursday afternoon for the men who were boarders in her Pittsburgh home 15 or 20 years ago. The reunion and dinner will be at the home of her daughter, Mrs. E. C. Seaman, in West Thirty-seventh street, New York. "When Mother" Cochran conducted the boarding house in Pittsburgh most of her boarders were railroad clerks in humble positions. Those who will have dinner with her tomorrow have attained distinguished positions since then. They are T. W. Gallagher, general freight agent of the Baltimore & Ohio Railroad Company with headquarters in Baltimore; T. G. Smiley, general freight agent of the Western Maryland at Baltimore; Oscar A. Constans, general freight agent of the Baltimore & Ohio at Pittsburgh; J. F. Rowland, traffic manager of the Brunswick Steamship Company New York and J. F. Constans general freight agent of Chicago, Peoria and St. Louis road at Pittsburgh.

### WHOOPING-COUGH SOCIAL.

CHICAGO, April 29.—Elizabeth Webber, four-year-old, will be the hostess at a lunch party next Saturday, afternoon in Wilmette. The event will be a formal farewell of the epidemic of whooping cough which has prevailed in the village for some time. Eligibility of the guests rests on whether they have had the whooping-cough. Children who are still afflicted with the malady may attend as well as those who have gone through the stages of the disease. The number of children who fell victims to the epidemic during the last two months is estimated at close to one hundred.

### CAUGHT IN "THE DOOR".

NEW YORK, April 29.—George Reoning of Offenbach, Germany, who arrived Tuesday on the steamer Kaiser Wilhelm II en route to visit an uncle in Chicago is detained at Ellis Island on the order of the German consul general and has been ordered deported on account of having embezzled \$1000 in his native city. He is accompanied by another young man, Ludwig Hermann, who was registered on the steamship under an assumed name. At Ellis Island he is said to have admitted that he became involved in Germany and for that reason came to America. He was employed in the municipal office in Offenbach and the affidavit of the German government is that he padded the payroll. Hermann's companion was not detained.

### THUGS ALMOST KILL.

NEW YORK, April 29.—John G. Hayes, superintendent of the People's Coal Company of Scranton, Pa. was attacked by two highway men in East Eighteenth street before daylight today and so brutally beaten while being robbed that doctors in the Bellevue Hospital say his condition is serious. After being knocked unconscious with a club, and kicked until his face and body were lacerated and bruised, the footpads hurled him to the bottom of a basement. There he was found sometime later by tenants of the house who heard his groans. The thieves obtained a gold watch, a \$500 diamond ring and \$50 in cash.

### THE SON IS SAFE.

NEW YORK, April 29.—The Rev. Dr. Henry C. Dr. Dwight said that his son was undoubtedly under fire. Press reports early this week said that he was in a boat on the Bosphorus near the scene of the battle and Dr. Dwight said that the story was probably correct, as his son was a special representative of two American magazines and would have made an attempt to get some photographs of the engagement.

### EFFECT EASTERN TRAINS.

NEW YORK, April 29.—The public Service Commission has sent a communication to the Erie Railway Company asking it if it is not possible to run one of its trains a little faster. This is at an average speed of a mile in six minutes and fifteen seconds.

### CATARRH MICROBES.

A Dead Microbe is the Best Microbe—Hyomei Kills Them All. Hyomei (pronounced High-o-me) is a killer of catarrh germs, because when you breathe it in, its antiseptic and germicide properties reach every nook and crevice of the mucous membrane, from the mouth and nose deep into the lungs.

Hyomei brings the Australian forests of pine and eucalyptus to your home. It is made of the active principles extracted from these trees. No one who lives in or near these forests suffers from catarrh. No one who breathes in Hyomei, the real forest air of Australia, will have catarrh for long after the treatment starts. If you want to cure catarrh, croup, bronchitis, coughs, colds, asthma, hay fever, or relieve consumption, try Hyomei, the common-sense cure, the cure that reaches the spot. A complete Hyomei outfit, including a hard rubber inhaler, costs only \$1.00, and extra bottles of Hyomei, if afterwards needed, cost but 50 cents. Guaranteed to cure, or money back. Sold by leading druggists everywhere. Sold and guaranteed by T. F. Laurin, Owl Drug Store.

Morning Astorian, 60 cents per month.

### DASTARDLY DEED IN CHICAGO IS ATTRIBUTED TO UNION LABOR.
