COUNTY NEWS.

FROM HOME.—We take the following handsome notice from the Van Buren Democrat, published by Geo. F. Smith, at our native town, Keosauqua, Iowa, where we resided for twenty-five years. The Democrat is one of the best local papers in Iowa, and citizens there can find no more welcome present to their far off friends than the Democrat. It is worth more to them than half dozen letters. It says of our paper: "S. H. Shepherd, formerly of this county, has started a paper at Canyon City, Grant County, Oregon. Wherever Mr. Shepherd is known he is recognized as an honorable, excellent, gentleman, and the first numbers of his GRANT COUNTY NEWS, which are before us, give promise that he will attain good rank in the profession of journalism."

CONCERT.—The ladies and children of Canyon City will give a Concert at the Masonic Hall, in this place, on the night of June 4th, one week from next Wednesday. The exercises will consist of vocal and instrumental music, choruses, speeches, and other amusements. The admission fee will be only 50 cents, and the net proceeds will be applied to the advancement of the public school interest of this city. The ladies who have the management of the affair in hand are displaying great energy in the matter, and the entertainment promises to be highly amusing. And as the people of this place never do anything by halves we predict for the entertainment a large attendance.

"IT RAINS!" Shouts the miner, and echo answereth, "Let 'er rain." The frequent and continued rains in this vicinity keeps up the supply of free water, and the miners are working their claims with flattering results, while farmers and stock men are over jubilant at the prospect of heavy yields in grain and plenty of grass this season.

Some of our subscribers have asked us about the law in regard to proving up on homestead or pre-emption entries. In answer to their enquiries we publish elsewhere the law which speaks for itself.

UNHEARD OF ENDURANCE.—We had a woman assert to us on last Sunday night, late, on her christian honor, that neither her nor her husband had eaten anything for seven days. This is a case of remarkable endurance and medical men will do well to make a note of it. We give the above, if it should be the truth, (?) to show that people may live in Grant County for a whole week without partaking of food, and yet remain healthy and strong. We can assure our readers that the above statement was made to us in good earnest and if they should find out that it is an untruth we hope they will hold us blameless. We are rather skeptical ourselves.

Old papers are sold at this office for One Dollar per hundred.

A NICE NUGGET.—A few days ago while Mr. Alfred was ground sluicing in his claim at Prairie Diggings he had the good luck to pick up a nugget that weighed \$102. There are plenty more of the sort, and larger in the same vicinity.

There are \$60,000 worth of marketable beef in this county awaiting buyers.

Notice of Dissolution.

Notice is hereby given that the partnership between A. R. McCallum and James Norman as millers and owners of the Pioneer Mills, John Day City, Grant County, Oregon, under the firm name of McCallum & Norman, was dissolved by mutual consent May 14th, 1879.

All parties knowing themselves indebted to us are hereby requested to call and arrange their accounts immediately, either of the partners being authorized to receipt for accounts.

New Music.—We acknowledge the receipt of the May number of D. W. Prentiss and C. G. "Monthly Musical Journal" Portland, Oregon. Price per year only 75 cents. Every person that owns a "Piano" or "Organ" should subscribe for this valuable "Monthly." The present number contains three pieces of choice new music worth at retail at least One Dollar.

The GRANT COUNTY NEWS, published at Canyon City, Oregon, has recently been established by S. H. Shepherd, formerly of Keosauqua. Mr. Shepherd has hosts of friends in old Van Buren who, in common with the Journal, wish for his financial prosperity.

The above is taken from the Bonaparte Journal, published at Bonaparte, Iowa, by the Sherman Brothers, and after returning thanks to them we take pleasure in recommending the Journal to our Iowa friends, in these parts, as a No. 1 local paper.

Court convenes in this city on Monday, June 2nd. Following is a list of the jury men drawn:

The machinery for the Monumental quartz mill arrived in Portland on the 12th inst. Mr. S. B. Parish is to deliver it at its destination in Grant County. Our freighters should be looking to their interest and not allow freight men from other sections to underbid them.

DURING Court week we hope to receive a call from every one in attendance, and that all that have county pride about them will subscribe for the NEWS. Now don't all speak at once.

THE HUMBOLDT WASHER.—Mr. Casbere and Brother have been in our city for a week past introducing the above named Washing Machine, and have, so they inform us, met with splendid success. The machine needs but little said about it as it speaks for itself. They did several large washings in this city during their stay and in every instance it proved that anything from a lace collar to a large blanket could be washed to perfection. It is easily operated, in fact so easy that a child 12 years old can do a whole washing; besides its simplicity it is so durable and at the same time very cheap. The agents took one to our house to show how nice they could wash and it proved to be such a good one that our wife concluded to keep it. If you buy one you will never regret having done so. They also sell county rights. Address Casbere & Wagy, Walla Walla, W. T.

LAST week we forgot to mention that the Maj. Rinehart and company had gone to the Malheur Agency to prepare for the second coming of "Old Winnemucca."

THE NEWS should be in every family.
