BORN.—To the wife of the late Wm. P. Chaffin, near Prairie City, May 23d, 1879, a son, christened Wm. Phillips.

GRAY & BRO. purchased a horse a few days since from Mr. John Wood. finger at 10c per pound. The horse weighed 1010 pounds. Gray got the best end of the bargain.

GONE BELOW.—W. B. Clark, of the firm of Peindexter & Clark, has gone below on business.

CALLED.—Mr. McLeod and Mr. Carey, from near Camp Harney, made us pleasant calls while in the city. Mr. Carey informs us that the people thereabouts are very anxious to have a mail route established from there to Ochoes. He says that a large number of people would be greatly benefited if the route was established. Steps have already been taken for the establishment of this much needed route and no doubt the service will be ordered.

How Long?—A number of our subscribers asked us when they subscribed and paid, "how long we were going to run the News." In answer we will say that we intend to "run" the News until we die, providing our life is not prolonged an unusual period, if the same amount of patronage is tendered the paper in the future that it is now receiving. We have paper enough bought and paid for to do until Christmas, and feel no hesitancy in saying that our friends need have any fears of the paper suspending before that time—not them.

MARRIED.—On May, 21, 1879, Mr. McCauley to Miss Mary E. Morehead.

"UNCLE HENRY DODSON" made us a very pleasant call last Saturday. He reports crops in Strawberry Valley as never looking better, and that it gives promise of an abundant yield.

REV. HEWA has returned home much improved in health.

A new walk has been put down in front of Mr. Herburger's meat market.

We had occasion to handle a nugget last Saturday that was recently picked up at Prairie Diggings. It weighed six ounces and six dollars. It was "indee."

We understand that Jules Le Brete has returned home from below.

DR. HOWARD will soon commence the erection of a new residence.

MR. J. H. NEAL, formerly of the Independent, at Hillsboro, is now added to our list of "typo's."

MR. JOE HILTON informs us that he has sold out entire in this city, and it is his intention to remove to John Day Valley soon.

No new developments in regard to railroads. Nothing authoritative can yet be given concerning the proposed enterprise represented by Mr. Vilard. It is understood that he is about to take his departure for the East to submit propositions in connection with the enterprise, so that a decision may be made as to the course to be taken. Meanwhile the surveys will continue, so that no time may be lost.

BEAR KILLED.—Mr. Simon Howard informs us that about two weeks ago, while he and his family were going out to work in the timber, his dog came across a large cinnamon bear, and attacked it. The bear showed fight, and Mr. Howard and family gave the faithful dog their assistance and succeeded in killing the animal. Upon examination he found that the bear had been roughly dealt with by some person or other animal, as several holes were cut in the skin and numerous bruises were on its carcass. Mr. Howard lives on Grub creek, about three miles from John Day City.

FOR SALE.—A good, convenient house, large and well built. Will sell for cash or county script. Enquire of M. M. BRADLEY.

The home rulers in the house of commons have chosen as their leader William Shaw, a member of Cork county, in place of Dr. Butt, deceased.

The Canadian Government will hand over to the United States for punishment any of Sitting Bull's Indians who may deprecate across the border.
