COUNTY NEWS.

PURE CIGARS—We were informed a few days ago that Messrs. Woolsey & Housman had just received a shipment of the finest and purest cigars ever brought to this City; to satisfy ourselves we asked Mr. Woolsey if such was the case, and he answered us that they had purchased a supply from Wm. Goos of Baker City, and that they were the finest Cigars that were ever in their house, besides they would sell them as pure and free from all disease, as they are made in Baker City by white men. The firm sent us a box of the same sort.

FOURTH OF JULY—Are we to have a celebration in this county on the Fourth of July, or are we to let it pass quietly and unheeded? We have enough towns in this county to have at least one rousing old fashioned Fourth of July Celebration, and the town or community that starts the ball in motion, and gives notice that they will celebrate, will receive the crowd, and the sooner it is done the better.

EDITOR NEWS, Dear Sir: Please permit us through the columns of your paper to express our heartfelt gratitude and sincere thanks to our friends and neighbors for their kindness and sympathy shown us during the illness and death of our loved one.

CHAS. B. COBB,
MARY E. COBB.

From reliable information we are led to believe that the criminal charged against Saml. K. Johnson is unjust and ungrounded in every particular. The Grand Jury returned a verdict of "Not a true bill."

We are pleased to see the interest that the citizens of this county are taking in the NEWS. For our first issue we struck off 350 or 15 quires. This week we run off 480 or twenty quires, and still they come. Let them come, our book is large and we have plenty of paper.

PERHAPS some people think that parents like to have their children kissed by strangers; but it is our opinion that most parents do not approve of it, at least we do not, from the fact that is unpleasant to the child and also very dangerous in times of contagious diseases.

"BRIGHAM" has been clearing Main street for the past few days, and in excavating the stones and leveling the little knoll in front of Mr. Happpich's shop, has helped the appearance of the street very much.

In the list of civil actions, as published last week, there appeared Throwbridge & Cozort vs. Kistler, Mr. Throwbridge says it is all Greek to him; he never had a lawsuit in this county in his life.

Some unknown person sends us a piece of poetry with the following request; but we are inclined to think we have all the "Potery" that is needed:

Dear Sir I have not seen any Potery in your paper so I tak the pleasure to rite you some please find space for it and you will hear from me once a week with pleasure I will rite it on the other page

We invite correspondence from every section of this county. Send along,

RETURNED.—Maj. Jos. Magone has returned home from the east, after an absence of several months. The Maj. showed us the "letters patent" for the right to make, sell and vend his patent "Out Separator," throughout the United States, for seventeen years from April 15th, 1879. Messrs. Geo. B. Curry, M. L. Olmsted and Mr. Geo. Gundlach, of this city, saw the working of Major Magone's Separator before he started for Washington, and did not entertain a doubt of his final success. That it will prove of great value to all engaged in wheat raising there is little room to doubt.

CAMP MEETING.—The annual Camp Meeting for this circuit will commence on the 3d day of July and continue over the 5th. It will be held on the "old camp ground." A boarding house will be on the ground.

CELESTIALS.—Mr. Wm. Luce informs us that he learns from the "boss Chinaman" on the diggings below John Day that 40 of the Celestials that lately arrived at Portland, are to be sent up here to work in the mines on John Day river. He also informs us that the Chinamen sunk a prospect hole on the claim that he recently sold them for \$6,000, and that they realized 25cts to the pan. They are now trying to purchase more ground of Mr. Luce, but he proposes to keep his ground and have a little of the good thing his self.

DAILY MAIL.—We noticed a petition that was generally signed by our citizens, praying for a daily mail service between The Dalles and Baker City, through this place. This matter that should have been brought to long ago, as hundreds of people will be greatly benefited thereby. Give us a daily mail from here to Baker City and The Dalles and one to Winnemucca and a tri-weekly from Harney to Okecho and our people will be pretty well satisfied as regards mail accommodations.

OUR TOAST to the ladies, the fairest edition out; the supply is inexhaustible and no man need be without a copy.

FOR PORTLAND.—Mr. Geo. Gundlach and Maj. Magone took their departure for Portland last Monday, to be absent about three weeks.

E. E. TURK returned home from the Grand Lodge last Friday evening. We are glad to see the fact that Canyon City carried off the laurels in the way of honors at this session of the Grand Lodge, over every other town in the state; Phil. M. Nathan being elected R. W. G. W. and N. Turk, R. W. G. J. W., of the Grand Lodge, and Ned Turk, R. W. G. S. W. of the Grand Encampment. Old fellows loose nothing by being bright.

At the solicitation of Mr. Rinchard and Mr. Jas. Lissw II we went our way on last Tuesday to "Rebel Hill," to visit the school, but as the school was "not in," we took a stroll and paid a visit to the beautiful home of Mr. Thomas Smith, and suffice it to say that from the appearance of the peach trees in his yard and other places on said hill that the prospects are that "Rebel Hill" will produce hundreds of bushels of peaches this season.

OUR WILLAMETTE Exchanges had better be careful and not advocate the "Harbor" question to such an extent as to cause them to dream of it, for fear they might mention "Ann Harbor" in their sleep, thereby causing an unpleasant ripple in their family circle.

From Mr. James Cleaver we learn that Mr. R. Morehead has gone to Lower Wesser to erect a flouring mill. The people of that valley will find Mr. Morehead to be an excellent man.

Mrs. CLEAVER has erected a store house in Prairie City and removed her fancy store to the new building.
