**BABBITT METAL.**—We have about 100 pounds of the best kind of babbitt metal which we will sell for 40 cts. per pound, if sold soon. We intend soon to send for some new type and cannot do so until we dispose of this babbitt metal. Mill men will please take notice.

**RACES.**—The races at Prairie City on the 4th and 5th were largely attended and the horses were more than average stock. On July 4th we did not attend but are informed that the crowd was large at the races and that in the evening about 70 couples assembled at the hall and enjoyed themselves splendidly till a late hour. The attendance at the races on the 5th was large and several races were run also one trotting race. Being rather late before racing was concluded we did not have time to get the result of the two days racing, but made arrangements to have the time, &c. &c., sent down to us, but as yet have not received the desired information, hence we cannot give full particulars.

**ROBBERY.**—Some unknown persons took the privilege of cleaning up the flume and sledge boxes in the new claim of Mr. Sam Hillis, near Marysville. The amount of booty the robbers got away with is unknown as it is a new claim and the loss cannot be estimated. It was about midnight of Wednesday that the thieves commenced to clean up. They left no trace that they could be found out. Some think white men did it, others say Chinamen, which is most likely. Whoever it was is no doubt several thousand dollars ahead on the night's steal as they had the advantage of an all spring run of the pipes.

**SHOW TICKET.**—Some one thought to play a trick on the show company last Wednesday night and "dead head" into the show. They passed one of our old cards into the doorkeeper, who, in his hurry did not notice the difference. The gentleman should rely on the old card as honesty is the best policy, and hereafter remember that printers go in on "check" and not on tickets. Printers also give value received, hence do not "dead head" into shows.

**FINE WORK.**—A few days ago we stepped into the shop of Mr. A. Hupprich and found him to be very busy making new fine boots. He has all the work he can do and would do more if he had the help. Mr. H. is turning out very fine work and lots of it. He advertises is the reason. See his "ad" and go to him to get your work and repairing done.

**REV. J. MCKEAN** arrived in this city last Thursday morning. He informed us that Mr. and Mrs. Grannis were also over attending camp meeting.

**SEND** One Dollar and size, and get a 16 karat, 8 solid Gold Cable Ring, made and sent by return mail by HAS. ST. LOUIS, Baker City, Oregon.

All persons indebted to me are hereby requested to call and settle immediately, without fail as this is the last invitation. JAS. W. ALLEN.

THE Fourth in Canyon City was celebrated as advertised, and, although the day was very disagreeable, quite a crowd assembled at the school house yard to participate in the performances of the day. Ceremonies were opened by prayer by Rev. Hawn and the Declaration of Independence was read by Mr. N. Robinson and Col. Geo. B. Curry delivered the address which was good and sensible in every particular. In the evening a bill was given, and about 35 couples tripped the light fantastic till the "wee sma" hours.

**THANKS.**—Mr. Chas. Cooley, of upper John Day Valley, has our thanks for the present of a box of nice, large strawberries. They were grown on the M-n-w-ning place. Also do we thank Mr. H. A. Hyde for a large box of the same species of fruit, but of the Bell de Lion variety, from Ritz's nursery, and are the nicest flavored strawberries we ever ate. They are very large and extremely sweet and delicious. Mr. Hyde informs us that he has a few plants to sell this fall.

**"Boss" BOQUER.**—Mrs. D. N. Luce sent us a fine bouquet last week that was just a little ahead of any of the rest yet presented. It was beautifully arranged and embraced nearly every variety of flowers as well as strawberries. We take pleasure in pronouncing it the "boss" bouquet of the season and admire the taste displayed by Mrs. Luce in arranging the flowers.

**MR. CUMMENS** made us a pleasant call a few days ago, and from him we learn that Mr. Hollnback, of Dixie met with a serious accident near his place last Monday. It seems that the front wheel of his freight wagon broke, thereby throwing him out and the freight on top of him. He received great bodily injury and suffered intensely. At last accounts he was better.

**INSTALLATION.**—The following officers of Blue Mountain Lodge, I. O. O. F., were installed by the D. D. G. M. on last Monday night: E. Hall, N. G.; Whitten, V. G.; W. Southworth, Sec.; I. H. Woods, Treas.; N. Rullison, W.; W. Hall, R. S. N. G.; Jas. A. Campbell, I. G.

**LIST of letters** remaining in the Post Office at Canyon City, July 1st, 1879:

F. B. Dunn, J. Deguire, S. E. Dunce, John Elliot, Thos. Elaw, Carl Ferse, Jos. E. Hein, 2, Ezra B. Harsison, Henry McKern, 2, John Leyton, M. U. Pesler, F. M. Sherber, E. HALL, P. M.

**NEW OFFICE.**—The Mountain Sentinel is soon to be moved into its new building. Mr. also says he intends to improve the paper materially as soon as possible after moving. The Sentinel is the only live paper in Union county and deserves good support.

**CALLED.**—Mr. John Buckingham, of Prairie City, made us a pleasant call last Thursday and reported that the people of that vicinity hope to see a railroad near there before many years.

We are informed that Messrs. Overfelt & Sweetser have bought several small bands of cattle in this valley within the past few weeks. Now is the time to sell while the grass is plenty.

**ICE CREAM.**—Mr. John Dunham is making ice cream in this city, thereby giving the hot a chance to cool off. He has our thanks for a supply.

**MARRIED.**—At Prairie City, June, 1879, Mr. O. C. Miller to Miss Belle Hardman.

**HAYING** has commenced in this valley and the farmers are happy over a good yield and high prices for new mown hay.

**CAMP** meeting commenced last Thursday under favorable circumstances.

**MR. CHITTENDEN** informs us that Mr. Daggett of Robinsonville, is the only one piping in the mines there at present, and thinks he will make a good clean-up this season. Mr. Carpenter will have his claim opened up this season, and next year will no doubt make a heavy run. Sam says he has not cleaned up as yet. Late Farmer is about ready to finish his run which will in all probability be a fair average.

THE show on last Wednesday night was well attended and the company did credit to themselves. The entertainment was of the variety character and the audience seemed to be highly elated over the performances. It is one of the best troupes that has visited Canyon City for over a year. We understand they will give another performance to-night. Go and have a good laugh.

**INSTALLED.**—The following officers of Mountain View Lodge, of Prairie City, were installed on Saturday, July 5th: N. G., Geo. Shearer; V. G., J. S. Sullens; Sec., H. H. Hyde; Treas., Wm. Brodie; W., Jules LeBevier; Cond., John Laurance; R. S. N. G., Geo. Dollina; R. S. V. G., Robt Hall; L. S. V. G., Felix Claude; J. G., Wm. B. Davis. D. D. G. M., Geo. Dollina, officiating.

**\$10 REWARD.**—We will give \$10 reward for evidence that will convict the person that defaced the posters in front of this office, and \$25 for evidence that will convict the person that defaced the one in the NEWS office. We do this because we are doing job work for a great many people and intend to see all job work that goes out of this office protected.

**GAME.**—Mr. Wm. Hill, and several others inform us that deer, antelope, and other game are plenty in the hills now; in fact thick, and if the Indians do not bother there any this summer, the life of game next season in Grant county will be unheard of before.

**ESCAPED.**—On last Thursday night about 12 o'clock Wm. Mammen informed Jailer Sam Berry that he had the "Bellyache" (?) and gained permission to go out for a few minutes. His "ache" soon turned to anxiety to see his traps and accordingly he set out for the mountains. Search was immediately instituted for him but at this writing nothing has been heard of him.

**COUNTY COURT** adjourned last Thursday evening.

In Speaking of a contemporary, the Walla Walla Wateman puts it thusly: There is too much raucid self-adulation, too much "us" and "we," "big fejun me" and "how we apples swim," about it. We detest to read such papers, as much as we dislike to converse with a person troubled with bad breath.

Bro. Besser might have added, "Brigadier-General-Colonel-me."

**STRAYED** from the Ranch of Dan Goodhue, one light bay mare, about 16 hands high, round long body, white streak half way down face then blaze runs off to right side of nose; white hind legs up to hock joint. Braided with a blotched G on left shoulder. Is 4 years old last spring. A reward of \$20 will be given for the return of the mare. DAN. GOODHUE.
