

To Our Patrons.

When we started the News we sent out the first week 350 copies, 38 papers more than any Journal ever had in this county; from that time on the list has rapidly increased until our circulation has reached a point unheard of before in the history of any paper in Oregon as the following will testify:

This paper is now a trifle over fourteen months old, and has a larger circulation than any paper in this State ever had at its age. * * * * * Looking over our mail books we now find 382 names.—Inland Empire.

Circulation At 23 Weeks Old.

A CERTIFICATE, UNDENIABLE.

CANYON CITY, GRANT COUNTY, Oreg., Sept. 17th, 1879.

We hereby certify that we have this day counted the quires of paper wet down, preparatory to printing the first, or outside, of the GRANT COUNTY NEWS and find that the circulation is 24 quires, or 576 copies. We also certify that the last issue was Number 23, which makes the 23d week of publication of the NEWS.

NOTICE.

LAND OFFICE AT LA GRANDE, OREGON, September 20, 1879.

NOTICE is hereby given that the following-named settler has filed notice of his intention to make final proof in support of his claim, and secure final entry thereof at the expiration of thirty days from the date of this notice, viz: Fred Sargent for the S 1/2 S E 1/4 Sec. 8, T 13 S of R 33 E W M. and names the following as his witnesses, viz: Edwin Hall, of Grant County, Oregon, and Henry Bell Jr., of Grant County, Oregon. HENRY W. DWIGHT, Register.

Notice of Final Settlement.

Notice is hereby given that the 4th day of November, 1879, has been appointed for final settlement in the matter of the Estate of Charles Schmeltz, Deceased. All persons interested in the said Estate are notified to be and appear at the Court House in Canyon City, Grant County, Oregon, at ten o'clock in the forenoon of said day and show cause, if any there be, why said Estate should not be fully settled and the administrator discharged. J. J. COZART, Administrator.

M. L. Olmsted, Atty. 5w24-30.

The Publisher of the News, in order to publish the names of all persons who run away without paying their bills, also the amount they owe; they likewise agreed to shut off all who were in arrears over one year for subscription, and to publish their names as soon as thirty days had elapsed from and after their discontinuance. This is correct and proper, and although we were not a member of that convention, we propose to adopt their rule and live up to it. In an effort to do this, we have advertised in the News, and in other papers, the names of all persons who owe. This has caused much necessity, especially in Oregon, where men who would never think of jumping a board bill, will walk away from a newspaper bill with the utmost nonchalance. No one thinks of condemning them, but the poor printer who is made to suffer from this is only put out as a man who will pay nobody. We are glad to see such steps taken by our brethren to the East of us, and hope they will live up to the rules they have laid down to the government of one and all in this business. It will do a power of good hereafter.—The Inland Empire
