

**The Grant County News.**

ONLY PAPER IN GRANT COUNTY.

Official Paper For Grant County.

Canyon City, Saturday Nov. 29, 1879.

S. H. SHEPHERD, - - - - - Editor.

**NOTICE.**

All accounts due the Bedrock Democrat at Canyon City, Independence and The Dalles, must be paid to S. H. Shepherd, of the Grant County News.—Bedrock Democrat.

I desire parties owing the Democrat, at the above named places, to send the amount to me immediately thereby saving costs, as I need the money. Having taken the above accounts at par I must have them settled without delay.

S. H. SHEPHERD.

Arch-Bishop Seghers arrived in our city on last Thursday and will remain over the Sabbath. The Bishop was escorted into the city by a number of people. He will hold service at the Catholic Church this evening also to-morrow morning at 10 1/2 o'clock and in the evening at 7 o'clock. Let all attend and hear this renowned Bishop.

**BLACK LIST.**—We have been asked by some of our subscribers "if we were going to publish a black list of our subscribers?" We answer NO, NOT FOR A YEAR. And at that time, we believe that, all those who are in arrears to the News will find out our new plan of collection. It is our candid belief that we haven't a man on our list that would cheat us out of \$3.

R. F. McCONNAGHY uses 2,000 acres of Government land in Grant County, Oregon, for grazing. Recently he, with five men, all armed with carbines, drove back a party of six men from Fort Bidwell, who were about to pre-empt the land.—Silver State.

Is there no law to stop this damnable imposition in our county?

—There was a young man Hese in this city a few nights since. A fine young man hence we hate to give his name, but the neighbors say that he shouldn't hang on so late—it annoys the old folks you see.

We have been feasting on turkey(?) ever since Thanksgiving. We are fond of turkey and believe the one that Mr. John Darby brought us was the fattest.

We will attend the Factory meeting next Monday and hope that we will be permitted to report a vigorous meeting.

The Festival on last Thursday evening was quite a success financially as the net receipts were \$138. 75.

A night lantern now hangs out in front of the Steiner House.

The Boise Democrat says, that on Wednesday, a week ago, two men rode up to the Pilgrim station, on the Overland road, and inquired of the ostler, who was alone at that station, what time the stage would arrive? On being told about an hour and a-half, they dismounted, and tied the ostler securely, put their horses up and fed them, and awaited its arrival. When it did arrive, they leveled their shot-guns on the driver and a passenger by the name of Bluett, tied them, and took from the pockets of Bluett \$95, and from the driver \$1. They then proceeded to break open Wells, Fargo & Co's treasure box, which they found to contain nothing. They then unbound their victims and commanded them to sit still five minutes, to which they complied; the robbers, by that time, were some distance away. The U. S. mail was not disturbed.

The big blast of 17,500 pounds of powder recently exploded in the North Bloomfield mine, Nevada City, shook up a large amount of gravel for washing.
