

The Grant County News.

ONLY PAPER IN GRANT COUNTY.

Official Paper For Grant County.

Canyon City, Saturday, Feb. 21, 1880.

S. H. SHEPHERD, - - - - - Editor.

The News is strictly neutral as a political paper, and has for its sole aim the interests of Grant County at heart. Yet its columns are open to discuss the merits and demerits of each candidate that may come up for office, providing the same is paid for at our regular advertising rates. Each and every writer must assume the blame or honor of his own article.

In political communications as in all others the responsible name will be kept inviolate by us unless compelled to divulge the same; and although we are a Democrat no democratic candidate can claim any more control over the News than a republican candidate can. We are here to work for the county and shall do all in our power with that end in view; therefore don't let it proper and just to allow both parties space to discuss the political situation. Let persons remember, then, that all candidates have an equal show. The coin must accompany the articles or no space will be allowed them. Let every candidate be well weighed and then we will have men who will do the best for the county.

It is truly gratifying to have a person come into a printing office and examine the type in the cases, and upon putting the type down again invariably put them in the box they do not belong in; it pleases the type, especially when proof is read. Each and every little box in a printer's case contains separate and distinct letters and parties in the habit of fingering over the letters will please please the "devil" and "keep hands off." No one here does as above but they do in other places. Parties will also bear in mind that we charge \$3 a year for the News and we are opposed to any one reading the copy on the case and then go out and tell what they may read or hear in the office before the paper is issued.

The subject of entertaining and wholesome reading for the family circle is one of practical interest in every household. It cannot be denied that the tendency of the American press is in too large a degree toward sensationalism, and in some instances even the sentiments of purity and sacredness prove an insufficient barrier against the all pervading desire of being novel and startling in the presentation of news. The exceptions to this common rule among the metropolitan journals of the day are so few as to be worthy of notice when encountered. The CHICAGO WEEKLY NEWS is one of the few papers of which it may be strictly said that nothing objectionable to pure thought and morality ever appears in its columns. It is an enterprising paper—none in the West more so—but more than that, it is a clean paper, one which it is safe to take into the family circle. The CHICAGO WEEKLY NEWS and the GRANT COUNTY NEWS will both be sent to you for \$2.50 a year, post paid. Send subscriptions to this office.

We will also furnish the CHICAGO DAILY NEWS and the GRANT COUNTY NEWS for \$5 per year.

A San Francisco dispatch of the 17th says: Bonifacio Nunez confined in the county jail under conviction of the murder of Wm. Frey, last April, was found laughing in his cell at about 1 o'clock this morning. He had torn his shirt from the wall, cut and twisted the bars, and a piece of broomstick set in the ventilator served for a galley.

A Chicago paper thinks there is trouble ahead in Utah, as the newly appointed Governor for that Territory is said to be the most handsome man in the country.

The population of Lakeview is estimated at 225.
