EMERSON,
FISHER & CO.,
 CINCINNATI, OHIO,
TOP BUGGIES AND PHAEATONS,
 Best material, good workmanship, handsome styles,
 strong and durable vehicles in every respect.
70,000 Carriages
 Manufactured by EMERSON, FISHER & CO.,
 are now in use in every part of the
 American Continent.
 They give unfailing satisfaction. All their work is warranted.
 They have received testimonials from all parts of the country of
 purport similar to the following, hundreds of which are on file
 subject to inspection:
Messrs. Emerson, Fisher & Co.:
 I have used one of your Top Buggies three years, and three of them two years
 in my livery stable, and they have given me perfect satisfaction and are in con-
 stant use.
Messrs. Coppock & Johnson:
 Dear Sirs—I have been using the Emerson & Fisher Buggy I bought from
 you as roughly I suppose as any one could. I had a fast horse, drove him at full
 speed, sometimes with two grown ladies and myself in the buggy, and it is to-day
 worth all the money I paid for it. I say the Emerson & Fisher Buggies will do.
A. M. TEAGUE, Farmer.
 The favorable reputation the Carriages have made in localities
 where they been used for several years by Liverymen, Physicians
 and others requiring hard and constant use, has led to an increas-
 ed demand from those localities, to meet which the manufacture
 ing facilities of their mammoth establishment have been ex-
 tended, enabling them now to turn out in good style,
360 Carriages a Week!
