**TOP BUGGIES AND PHEATONS,**  
 Best material, good workmanship, handsome styles,  
 strong and durable vehicles in every respect.  
**70,000 Carriages**  
 Manufactured by **EMERSON, FISHER & CO.,**  
 are now in use in every part of the  
 American Continent.  
 They give unfailing satisfaction. All their work is warranted.  
 They have received testimonials from all parts of the country of  
 purport similar to the following, hundreds of which are on file  
 subject to inspection:  
 Messrs. Emerson, Fisher & Co.:  
 I have used one of your Top Buggies three years, and three of them two years  
 in my livery stable, and they have given me perfect satisfaction and are in con-  
 stant use.  
 OSCAR SMALLEY.  
 Messrs. Cooper & Johnson:  
 Dear Sirs.—I have been using the Emerson & Fisher Buggy I bought from  
 you as roughly I suppose as any one could. I had a fast horse, drove him at full  
 speed, sometimes with two grown ladies and myself in the buggy, and it is to-day  
 worth all the money I paid for it. I say the Emerson & Fisher Buggies will do.  
 A. M. TEAGUE, Farmer.  
 The favorable reputation the Carriages have made in localities  
 where they have been used for several years by Liverymen, Physicians  
 and others requiring hard and constant use, has led to an increas-  
 ing demand from those localities, to meet which the manufacture  
 ing facilities of their mammoth establishment have been ex-  
 tended, enabling them now to turn out in good style,
