

The Grant County News.

ONLY PAPER IN GRANT COUNTY.

Official Paper For Grant County.

Canyon City, Saturday Apr. 3, 1880.

S. H. SHEPHERD, - - - - - Editor

NEUTRAL IN POLITICS UNDER ALL CIRCUMSTANCES.

THE LAST ISSUE--OF VOLUME ONE.

With this issue the GRANT COUNTY NEWS closes its first volume. It is now a year since we started the paper; and during that time we have labored assiduously to give the people of this county a live local paper, one that faithfully represents the important interests of this section. How well we have succeeded we leave the public to judge for themselves; but the fact that the subscription list has more than doubled is evidence that our efforts have been appreciated. We have doubtless made some enemies. No newspaper man who has ideas of his own and dares to express them, can get along without receiving the wrath of those whose views are antagonistic. But we are glad to say that the latter are far outnumbered by a host of warm friends who appreciate our efforts to build up a live paper. We said in our salutatory that we believed in the future of Grant County. After over thirteen months residence here we can say that our faith in its eventually becoming one of the most populous and popular counties in southeastern Oregon is greater than it was a year ago, for it has the natural advantages; all it needs is the population and capital to develop its resources. A good local paper can do more toward this than anything else, and we shall always labor with this end in view. We desire to thank our correspondents, and especially "T", of Harney, for the interest taken by them in the NEWS and the county. We hope they, as well as others, will take a greater interest the coming year. To our advertisers we say "bravo". During the year we have lost but one advertisement unnaturally. Of our future we will have something to say next week. Please remember that the year is up to-day and renew at once.

NOTICE.—All political communications from either party, or from any one interested in politics must be accompanied by the cash or the equivalent or said communications will not appear. Remember that the NEWS is as free for one as for the other. It knows no party.

The bill introduced by Senator Slater to provide for the completion of the Oregon and California railroad is a copy of the bill recently introduced by Representative Whiteaker authorizing the Oregon legislature to designate the corporation to complete the road in case of failure by the present company within the specified time.

J. G. Abbot a prominent cattle man of Grant county, Oregon, arrived in town Saturday from the North. He says the past Winter has been the most severe on stock ever experienced in south eastern Oregon and northern Nevada. In Harney Valley and on the north side of Stevin Mountain fully twenty-five per cent. of the cattle running at large have perished of cold and hunger. In Quinn River Valley, on his way here, he was informed that on H. H. McColley's and Colonel Hardin's ranges, two hundred carcasses of dead cattle could be seen within an area of a few square miles.—Silver State.

The Lakeview Examiner says: From H. L. Webb, mail carrier on the northern route, and who has recently come through from Prineville, we learn that on Beaver creek, Wasco county, in a circuit of fifteen miles there are a thousand head of cattle lying dead. The winter in that section of the state is reported as having been exceptionally severe, and the estimated loss of stock of all kinds will reach from fifty to seventy per cent. He reports the snow on the desert between Silver Lake and Prineville to be from eighteen inches to three feet in depth.

The Inland Empire says: The foundation for the shop was blasted and surfaced on Wednesday last, and workmen have begun framing the building. There will be 120 box cars, 100 flats and a sufficient number of sleeping cars and first-class coaches to meet all the needs of a select passenger trade. The coaches now on the line between here and Celio will be used entirely for second-class passengers as soon as the line is open to Wallula, which Vice President Reed thinks will be about the 25th of September next. The boats between here and Portland will probably leave each end of their route about 9 A. M., leaving the journey between here and Walla Walla to be performed after night.

The post office at The Dalles has been enlarged and additional mail facilities added.

Cattle have had their feet frozen in some instances in Lake county, necessitating their slaughter.

Some people in Drew's valley, Lake county, failed to haul in sufficient fire wood last fall and have lived by the warmth of fence rails for some time past.
