Liberals in London are to give Gladstone a mighty oration when he returns to the capital.

A bill to repeal the bank check stamp will be reported by the house banking committee.

The Chicago and Alton railroad company will issue \$1,000,000 new stock, to use in improvements.

The president has nominated Wm. A. Newell, of New Jersey, to be governor of Washington Territory.

The appearance of matters at Cabul is favorable to peace and friendly disposition toward the British.

The senate has rejected the Missouri nominations for census supervisors by a strict party vote. Southern senators accused them of being politicians.

A fierce altercation took place in the house between Sparks and Clymer, over an amendment to the army surgeon bill. It was disgraceful in its abusiveness.

Whitelaw Reid is engaged in a great charity. He lately gathered 19 boys in New York and sent them to good country homes. Liberal people furnish him funds for that purpose. This company was sent to Virginia.

It is intimated that the outrage on Whittaker, the colored cadet, was self-perpetrated, so as to pass over examination in the hospital and have another year to graduate in, as he is rather behind in his studies. The doctor pronounced him not hurt, and sent him back to his duties.

Ward clubs in San Francisco of the W. P. C. are mutinous under the action of the state central committee in nominating four delegates to the Chicago convention, the feeling being that the clubs of the state should do all the nominating, and resolutions have been adopted, it several clubs censuring the committee for their action.

The board of directors of the National Rifle association has resolved that the match for the centennial trophy (Palma) has lapsed by failure of any foreign team to enter since 1877, but has recommended that the trophy be offered again for competition under the conditions that in the future only one team, to represent Great Britain and Ireland, will be eligible. An American team will go to Ireland in June to compete in the international contest.

Excitement and wild alarm prevailed in Berlin when Bismarck sent in his resignation as chancellor, but the public feeling cooled off a little. The vote on imperial stamp duties went against him, and that made him send in his resignation. It is probable another vote will be taken to suit him better and induce him to remain in office. He, no doubt, intends to improve the opportunity of attaining the preponderance against Prussia in the federal council.

HAY STACK VALLEY.

HAY STACK, GRANT COUNTY, }
OGN., April 1st, 1880. }

ED. NEWS:—In response to your invitation, I will send you a few notes on Hay Stack precinct. It is bounded on the North and West by Wasco county; on the South by Camp Watson, and on the East by North Fork precinct. It has some 35 voters, eighteen families, 38 school children and no young ladies, to my knowledge.

It is mostly a grazing country, but the few fields produce well. The country is badly broken and farming land is comparatively scarce. Timber is inconvenient, and mails still more so. The Spring Valley P. O. is located in this precinct, and has not been supplied since 1878. Shame on the mail service and D. M. Key. The Mail route should be extended from Monument to Lone Rock. We are now obliged to go 20 miles for our mail or do without STRAIGHT EDGE.
