COUNTY NEWS.

The Entertainment given by the singing school of this city, on last Thursday night, was well attended and satisfaction given. Time and space forbids us from noticing each and every part, but we cannot help noticing some. "Out of Work," by the Misses Mettschan and Parrish, was good and the girls will no doubt rank well up in vocal music, some day. "In the Starlight," by Miss Cattanch and Miss Hazeltine was well sung and showed that they understood music well. "Chorus from Esther," with Mrs. Olmsted as Queen, attracted much attention and the girls and boys acted their parts admirably. "Merry Farmer Boy," by the company was highly entertaining. Too much praise cannot be bestowed on Miss Sels, Miss Hazeltine, Phil. Poindexter and Fred. Horsley in their rendition of "Arabella's Poor Relations." "I'm going Abroad with Pa," by Miss Mabel Hazeltine, was charming and but few girls of her age can surpass her in that particular piece. "The Old Home ain't, etc.," by the Cattanch family was excellent; then the Good-night song by the full school made the audience feel that the singing school of Canyon City was competent to furnish a pleasing entertainment.

By referring to our advertising columns you will find the Republican Ticket. They have got all new men on their ticket and have confidence enough in them to put their names before the people that all may become acquainted and have their merits and demerits discussed by the people.

RETURNED.—Mrs. Newton, of Middle Fork, returned home from California last Tuesday morning. Mrs. Newton has been from home all winter and we trust she has had a pleasant visit. She was accompanied home by her grand-daughter Miss Eva Johnson.

WASHINGTON, April 7.—The published statement that Gen. Key has made up his mind to approve the report of department officials adversely to Wells, Fargo & Co., is untrue. He will not take up the case until the expiration of the term accorded for further argument, namely, until May 1st and nothing has developed to change the situation heretofore recorded. The best informed members of the Pacific Coast delegation after conversing with Judge Key are of the opinion that the Express Company's letter carrying business will not be interfered with.

IN MEMORIAM.

William Phillip Cladin was born Feb. 5th, 1829. He moved to Indiana in 1832 or '3, where he remained till 1852, when he came to the West. He had lived in Oregon about sixteen years when he died. April 27th, 1879, leaving a wife and three small children to mourn the loss of a loving husband and father. But their loss is his gain; for he died happy, believing in the "redemption which is in Christ Jesus."

He was one of Grant County's oldest and most respected citizens.

A. EADS.

The Idahoan publishes a letter giving a fearful account of the sufferings of three men, Pierce —, Sam Robinson and Richard Marnell, who left Atlanta, February 28th. These unfortunate men were out in a fearful storm eight days and seven nights. Poor Sam Robinson grew insane and died in the hills. Dick Marnell could not speak for two or three days, but managed to wallow along on his snow shoes with the assistance of Pierce, but blood gushed from his nose and ears. He is now getting along all right.

The Oregon Kidney Tea.

Read the following testimonials, not from persons 3,000 miles away, whom no one knows, but from well-known and trustworthy citizens of Oregon, whose names, written with their own hands, can be seen at our office!

Forest Grove, Oregon, }
March 19th, 1880. }

I hereby certify that I have used the OREGON KIDNEY TEA, and obtained immediate relief. It is God's blessing to humanity. I take pleasure in recommending it to the afflicted. I am now nearly 90 years old, came to Oregon in 1842 in the employ of the Hudson's Bay Company, and since I began using the Oregon Kidney Tea, I enjoy good health. DAVID MONROE, Highlan., Clackamas county, Ogn., }
March 20, 1880. }

I have suffered with a disease of the kidneys for 6 or 7 years and for the last two months have been laid up with a pain in my back. A friend sent me a sample of the OREGON KIDNEY TEA, and having used it one week I can do a good day's work. I have derived more benefit from it than all the medicines I have ever taken.

Wm. H. Brown, says the Albany Democrat, this week arrived in the city from Eastern Oregon, having crossed the Cascade Mountains by the W. V. and C. M. road, on snow shoes. He left Prineville March 23rd; left Hindman's or Camp Polk, on the morning of the 24th, left Cache Creek on the morning of the 25th, and a violent snow storm retarded his progress so that he was twelve days making a distance of fifteen miles—all the time in snow from 20 to 30 feet deep. His little sack of provisions in the meantime became exhausted, and he was compelled by the gnawings of hunger to kill his old and faithful hunting dog "Brownie," and devour the carcass. After the most extraordinary trials and tribulations, he arrived at Fish Lake ranche, where he found the new and spacious residence of Henry Barmerster a total wreck from the weight of snow on the roof, and the whole place a picture of desolation. M. Brown's feet are badly frozen and from long hunger and physical suffering he looks quite cadaverous. This is the second trip that he has made in winter across that route, and he says he doesn't think he will attempt the third one.
