Look Out for the "Little Joker!"

Messrs. McComas & McDaniel, of Union county, have purchased the exclusive right to sell the "Little Joker" Washer, in this county, and they will soon be in our midst with what is recommended to be a perfect Washing Machine. We know of no piece of machinery that should be in more demand than something that will remove the terrors of wash-day.

The "Little Joker" washes by compressed air, is said to wash with wonderful rapidity, any child can use it, clothes are not damaged by it and it is within the reach of all. All they ask is an opportunity to show its perfect work, and as for us we say let 'em come and if it will do what they claim for it we'll buy one.

NOTICE.

On account of the sickness of the teacher and pupils of the Canyon City School, we deemed it for the interest of those concerned to close the school for a few weeks. We would therefore recall the notice of the Exhibition given in last week's paper. M. N. BONHAM, Principal.

I. H. Wood, W. R. McFarland, Wm. McDowell and others returned from viewing a road between here and Ft. Harney a few days ago, and report that the new road will save about 15 miles travel between the two places.

While in Prairie City last week, we noticed that Laurance & Shearer had a fine stock of goods on hand and they report business good.

We met Jules Le Brette and bride at the Warm Springs, last week. While Mrs. Gideon got an excellent husband, Jules got "Gideon's Band." May they always be happy.

Box.—In this city, on July 4th, 1880, to the wife of N. Rulison, a son. The boy weighs 9 lbs. All are getting along well, especially Mr. Rulison, as it is the first boy and he now has a Jr.

There will be meeting at the Mt. Vernon race track on Saturday, July 10, at 1 o'clock to make preparations for the Fall Fair and races. A full attendance is earnestly requested as much business of vast importance is to be transacted. B. C. TROWBRIDGE, President.

The picnic at B. C. Trowbridge's on last Saturday was a grand gathering. The declaration was read by Maj. Magone and an oration was delivered by Col. Currey, and, although the Col. is a Presidential elector, not one word of politics was mentioned by him, and his address was throughout a fine speech. The crowd was peaceable and everything passed off harmoniously and lively. The net proceeds to the church amounted to \$135.

The people of this county have had lots of fun this week. The Ball at Prairie City, on Monday night, was a grand affair and 62 numbers were sold. On the same night the people of Long Creek had a dance at Mr. Blackwell's and 32 tickets were sold. On the same night there was a ball at John Day and also at W. Carsner's; we have not heard from the balance.

Mr. Chas. Cooley has our thanks for the present of a box of nice strawberries. They are the finest of the season and were delicious. He will be in next Monday or Tuesday with another load, so look out for him.

About 50 people assembled at the Warm Springs on Saturday and had a general good time. A free dinner was set by Mrs. Armstrong and it is spoken of as a splendid repast.

Wood & Church fed out about 4 ton of hay, last week, at their stable in this place. How is that for livery in Canyon City?

E. Hall has just received the finest assortment of candy ever brought to this town. Also blank books, &c., &c.

R. D. Johnson, of Indian Creek, had the misfortune to lose the only team he possessed by drowning a few days ago.

The cattle men of this county, that were called to Portland recently, and "cinched" so unjustly, returned the front end of this week.

The new County Board qualified and took their seats last Wednesday.

DENNIS Murphy has been released on \$5,000 bail. He informs us that he will return to Devine's Ranch.

The people of North Fork enjoyed themselves on Monday by horse racing.

A Dance was given in this place last Saturday night.

REMEMBER the Quarterly meeting in this city, to-day and to-morrow.

J. J. Wash returned home from Salem, a few days ago.

"There's her father and mother, and her sister and her brother, all use Dandelion Bitters."

G. C. Clark has been under the weather for a few days past.

The picnic on Pine Creek was a pleasant affair we are told.

Rev. Eads and wife were in town last Wednesday.

Mr. Andross lost a fine horse, recently, by having his leg broken.

GREEN peas, "taters," berries and "sich" have been in this market for some time.

We understand that there was a picnic at the "Hall Ranch," on last Saturday that was well attended.

FRANK Fisk is quite sick from rheumatism. We hope next issue to report him well.

Will our wool growers please inform us about the amount sheared?

JOE. BATES and one or two others complained to us that they failed to get their papers at Harney. We do the Harney papers up in single wrappers and no officer, soldier, or other person has any right to take them out unless with the consent of the owner. It injures us as well as our subscribers and we hope we will hear no more complaint.

ACCORDING to the census enumerators of this county, the population is as follows: Canyon City, John Day and Middle Precincts, 1,362. Marysville, Union, Olive, Elk and Granite, 1,537. Beaver, Warner, Curry, Harney, Dunder & Blitzen, Alvord and Malheur, 421. South Fork, Rock creek, Hay Stack, North Fork and Long Creek, 900. Total county, 4,433.

NEW DRESS.—We have sent for a new dress for the News and also other material and paper, and, of course, it cost us considerable money, but then, we know that our subscribers will not be slow to pay up their subscription and help us out in the payment thereof.

We will have to apologize to our readers for the appearance of the paper for a few issues. The warm weather has demoralized the roller and the material for a new one was not to be had till a few days ago and hence, the old one had to be used. In a few days we will have a new one out of the moulds and then—well, you can read the News.

Quite a number of our citizens are anticipating a visit to the Warm Springs. All you have to do is to send word to Mannin & Howe and they will come after you and bring you home free of charge. We omitted to mention that fact last week.

FOUND.—A small pocket album containing 4 single photos, and 3 double pictures. It was found near Prairie City. The owner can have the same by paying for this notice.

PERSONAL.

The following persons have either subscribed or renewed their subscription to THE NEWS since last issue: John Schmidt, L. M. DeLerma, and P. Thomas.

Stock men that are subscribers to the News can have their brands or marks inserted therein, one time, free. We do this for the benefit of our patrons and hope they will avail themselves of the free offer.

The Dalles has been flooded for some days past, but the water is now on a stand, or perhaps receding.

DALLES ITEMS.

[From The Times.]

On Wednesday afternoon, the large, two story brick building on the corner of Front and Court, belonging to Judge Savage, fell with a crash. The building was nearly completed, and would have been occupied in two or three weeks had it not been for the accident. The loss is estimated at from \$3,000 to \$4,000. Fortunately there was no one around at the time. Several causes have been assigned for the building falling, but we think the mortar had not dried sufficiently, and the water had a natural tendency to soften it, and caused the brick to fall from their position. The foundation was the first part to give way, and no doubt that was caused by the softening of the mortar as above stated.

Messrs. Handley & Sionott, of the new Uratilla House, still keep their lights burning at the old stand. They have a raised walk down Union street to the hotel, and every night a welcome ray of light streams out from their front door to the weary traveler in quest of board and lodging.

NEW TO-DAY.

The Oregon Kidney Tea.

Read the following testimonials, not from persons 3,000 miles away, whom no one knows, but from well-known and trustworthy citizens of Oregon, whose names, written with their own hands, can be seen at our office:

Astoria, Ogn., Dec. 28, 1879.
I take pleasure in testifying to the merits of the OREGON KIDNEY TEA. For the past three years I have been suffering from kidney troubles, and during the time have tried nearly every kind of Kidney medicine in the market, a most without any relief. Having heard that the Oregon Kidney Tea possessed wonderful properties, I purchased a package, and from the first dose obtained relief, and by the use of the one package feel completely cured.
SAML GRAY.

Silverton, Ogn., March 27, 1880.
I have been afflicted with a kidney trouble for twelve years, during which time I used almost every kidney remedy I could hear of but obtained no relief until I tried the OREGON KIDNEY TEA. I am much better and have no hesitancy in recommending it as a pleasant and safe kidney remedy.
W. B. COX.

ADMINISTRATOR'S NOTICE.

The undersigned, Lewis Neal, having been appointed administrator of the estate of Harry Burstow, deceased. All persons having claims against said estate must present the same with proper vouchers to the undersigned at his residence at Grant County, Ogn., within six months from the date hereof.

LEWIS NEAL,

n11-n15.

A woman's journal says that Miss Jones, for a number of years a compositor in a Chicago office, "has secured the appointment of notary public, and now does most of the swearing for the village of Collyer, Kansas." If the lady is as gifted in profane history as some male compositors, she might include the adjoining county in her territory without feeling over-worked.

From the report of the census taker of this city, just filed, we learn the following: Number of persons residing in the city limits, 2,250; number on the Dalles Military Reserve, 250; other persons in the precinct, 650. Total in the precinct, 3,250.
