M. S. EMERSON, FISHER & CO.:
I have used one of your Top Buggies three years, and find them two years in my livery stable, and they have given me perfect satisfaction and are in constant use.
Messrs. COPPOCK & JOHNSON: NEWBERRY, S. C., July 17, 1879.

I had a fast horse, drove him at full speed, sometimes with two grown ladies and myself in the buggy, and it is today worth all the money I paid for it. I say the Emerson & Fisher Buggies will do.
A. M. TEAGUE, Farmer.

The favorable reputation the Carriages have made in localities where they have been used for several years by Livermen, Physicians and others requiring hard and constant use, has led to an increased demand from those localities, to meet which the manufacturing facilities of their manufacturing establishment have been extended, enabling them now to turn out in good style,
