ONLY PAPER IN GRANT COUNTY.

Official Paper For Grant County.

A FALSEHOOD.

THE DALLES, Ogn. Sept. 22d, 1880.
EDITOR NEWS:—I would like to call the attention of your readers to the fact that certain citizens of your county have been doing all in their power to prevent the passing of stock through the county, in transit east and west. The benefit of being on the highway of travel and the advantages derived to the county from the presence of large quantities of valuable property for a more or less lengthened period are obvious to any intelligent person. As my profession is the moving, handling and manipulating live stock I would like to know if it is true as I have been told that one of your Justice's granted a warrant and your sheriff or deputy arrested the owner of 7000 sheep for passing an invissable fence, and forced the strange gentleman to pay five hundred dollars for alleged trespass or go to jail and loose more by abandoning his property altogether, and that another drover only succeeded in staving off similar blackmail by the use of shot-gun persuasion.

If such rumors are false I wish you would publicly contradict them, or if such practices are your social law the public might as well know it. Next spring large quantities of stock will be moved through your county, and as some of those interested are seriously thinking of investing in—, I would like to know if such preparation is necessary.

The place where these alleged outrages have taken place is Cranes Prairie" or Flat. I am yours, DROVER.

Could a more absurd story have been told our unsuspecting stock drover? Because the jury received the instructions it did from Judge Deady in regard to our stock men you are not going to believe we are a set or outlaws surely. We are happy to inform Mr. Drover that no such a case as he mentions ever occurred in Grant County. The authorities have informed us that no drover has ever been molested for passing through this county. It is a story or plainly speaking another falsehood.

FROM PRINESVILLE.

PRINESVILLE, Ogn. Sept. 28, 1880.
EDITOR NEWS:—I have received the first copy of the new edition of the News and must say that I am more than pleased with it, in its new dress. The citizens of Grant County should feel proud to have such a paper in their midst and accord to it a most liberal support. The energy and perseverance exhibited in its general make up is commendable and shows that there is a live man at the head this time. Of the half dozen papers that I take none come more regularly than the News. Have received every copy for fifteen months, and always on time. Having been a resident of Canyon City for fifteen years I still feel a deep interest in its wellfare.

There are several of the pioneers of Grant County here. A. Breyman, of the firm of Breyman and Somerville, once owned the Gundlach corner is still in the general merchandise line, and has, I think, one of the most complete stock of goods in Eastern Oregon. A. Lytle, who owned the first blacksmith shop in the place, and was one of the first men to make the trip from Canyon to the Dalles after gold was found on the

creek, has a ranch and is in the stock business, runs horses, cattle and sheep. E. G. Conant, of Prairie Diggings is here in the horse business and has as fine a band as can be found in the county. There are others of the old timers here and all doing well.

And now, for fear of tiring your patience, I will close wishing you all success. Me.

By a local in another column it will be seen the John Day is to have another store. Wm. H. Clark has on the road from The Dalles a fine stock of goods, which he will place in the New Stone Building.

The Oregon Kidney Tea.

Read the following testimonials, not from persons 3,000 miles away, whom no one knows, but from well-known and trustworthy citizens of Oregon, whose names, written with their own hands, can be seen at our office:

CANYON CITY, GRANT COUNTY, Ogn. July 28, 1880.

To my friends and all others whom this may concern: I wish to say that after suffering for a long time with severe backache and pains in the loins and kidney, I was induced to try a bottle of the OREGON KIDNEY TEA, and to my great surprise, as well as my satisfaction I was entirely cured of my complaint. I do most earnestly recommend it to all my friends who may be suffering from similar troubles, believing as I do that it is the chief of all Kidney remedies.

CHARLES A. GRAY.

WARM SPRINGS, Grant County, Ogn. July 15, 1880.

Messrs. Hodge, Davis & Co. Dear Sirs.—I have been troubled for about 3 years with a severe pain in the back, loins, and hips, so that at times I was unable to rise or do any kind of work whatever. Hearing through a friend of the virtues of the Oregon Kidney Tea, I obtained one package, and though I have not used all of it, yet I am a new man, and feel like recommending it to my afflicted friends. n15-3m THOMAS HOWE.
