## COUNTY NEWS.

It is with extreme pleasure that we are permitted to call the attention of our readers to the advertisement of the "People's Store." By reading it you will see that W. H. Clark is himself again and that he is determined to be the leading merchant of Grant County, and having bought his stock for cash he is prepared to sell very low for cash to the people. The goods are all entirely new and fresh and of the latest style. He will be found at the old stand in Canyon City. Remember the "People's Store."

The backers of Rosa S. have informed us that they have put up a forfeit of \$250 to run Blue Bell a half a mile on the Baker City track, on the 1st or 2nd Saturday after the Presidential Election, for \$1,000 a side, in response to a proposed match race between Mr. J. H. Hamilton, owner of Blue Bell and S. H. Shepherd on the 3rd day of the Grant County Fair. In case the trainers of either of the two mares object to let their mare go it is no go. When the race is closed and day set, then the forfeit is good. It will be the most exciting race ever run on this coast as both are supposed to be fastest on record, and will be backed to the amount of \$20,000 or more.

From the display of grain at the County Fair, that was raised on desert land in this County we are led to believe that Grant County is the best wheat producing county in this State. There is plenty of the same kind of land now idle and those who desire a ranch should locate at once as next year it may be too late, as the emigration to Oregon next year will be immense.

The ladies will find in another column the advertisement of Mrs. M. Glover, of The Dalles. There is no use to send to Portland or East for goods in her line as she can suit you to a dot in style and price. We are personally acquainted with Mrs. Glover and know she is tasty.

J. M. Shepherd, editor of the Bedrock Democrat, will soon visit this city, and while here will be pleased to receive subscriptions to his Bedrock Democrat. Democrats should not be without the leading paper of their party in Eastern Oregon.

Miss Douthit has just received a large invoice of millinery goods, embroideries, hats, bonnets and everything kept in her line which she invites her customers to call and see as she knows she can suit you.

E. Applegate, Republican Presidential Elector, on the Republican Ticket, spoke in this place last night and at Prairie City the night before.

Mrs. Jas. Robinson returned home last Saturday evening, from a visit to her mother at Silver City.

Go to the People's Store for all of your goods for they trade reasonable for cash. W. H. CLARK.

Wood & Church have put in new floors in several of their stalls at their livery stable.

JOHN DAY CITY, Oct. 20, 1880.

Editor News:—Permit me through the columns of your valuable paper to return the sincere thanks of the Officers of the Grant County Agricultural Society to the citizens of the County generally, for enabling us to make our first Fair a grand success. And to the ladies, especially, of Canyon City, John Day City and elsewhere. I return my heart felt thanks for the beautiful appearance of the pavilion, and it will be an exceedingly dark day in my life's history when I fail to recognize and properly appreciate the efforts, however humble, of those who are ever foremost in good works.

With much toward none, and charity for all, I remain as ever,

Yours for the right,

J. MAGONE.

For Sale.—The race mare, "Biddy McGee," aged 2 years; weight 880 pounds; height 14 1/2 hands; color sorrel, three white feet to pastern joint, narrow white-strip down face. I will sell her for \$500, half down, balance one year's time, with good security.

JOE BLACKWELL, Canyon City, Oregon.

The Carpenters in this city are very busy at present. Perhaps no town in Eastern Oregon is furnishing so much work to their carpenters as does Canyon City according to population.

Our thanks are due to Mr. M. V. Thompson, H. Blackwell, C. Bonham and John Fisk for favors shown the editor hereof during the fair.

Read the new advertisements, in fact read all of them and buy your goods of the merchants that advertise.

Jacobs & Basford have commenced to build an addition to the City Hotel.

Clay To Hunter started for Baker City last Thursday morning. He will be absent about two weeks.
