

We notice that some of our Democratic exchanges east of the mountains are offering to bet \$50 and \$100 that their County and Oregon will go for Hancock. Inasmuch as we are not running a political paper we will not bet that way; but we will bet \$50 that the GRANT COUNTY NEWS has more bona fide paid up subscribers than any paper in Eastern Oregon. The News is only 81 weeks old, while some of the other papers are many years old. The News is the only paper in the "Bunch Grass Region" that circulates freely through-out the United States and Europe.

If any of our subscribers fail to receive their paper they will confer a favor on us by informing us of the omission.

CANYON CITY, Oreg., Oct. 18, 1880.

ED. NEWS:—Please allow me, through your valuable paper to thank the members of the Grant County Agricultural Society for the friendly manner in which they have received me and for the high honors that they have conferred upon me, having arrived here upon business just in time to attend Grant County, first Agricultural Fair and attend from beginning until its close. I will say truthfully that I was surprised to see such quiet good order on the part of every one and such social friendly feeling between all parties.

The display of stock was surely creditable. The racing was satisfactory considering the condition of the newly-made track, whilst the exhibition in the pavillion was beyond expectation. The building not being completed and the exhibitors having but a short time to prepare their goods for exhibition.

The only mistake that I knew made upon the grounds, and that was in the judges stand, by my worthy friend and one of the early day wheel-horses of the Oregon State Agricultural Society, Major Magone in giving to your humble servant, a very common sheep-herder, such a high colored introduction to the lady equestrians of Grant County.

JERRY LUCKEY.

I have used one of your Top Buggies three years, and three of them two years in my livery stable, and they have given me perfect satisfaction and are in constant use.  
OSCAR SMALLLEY.

Messrs. COPPOCK & JOHNSON: NEWBERRY, S. C. July 17, 1879.  
Dear Sirs,—I have been using the Emerson & Fisher Buggy I bought from you as roughly I suppose as any one could. I had a fast horse, drove him at full speed, sometimes with two grown ladies and myself in the buggy, and it is today worth all the money I paid for it. I say the Emerson & Fisher Buggies will do.  
A. M. TEAGUE, Farmer.

The favorable reputation the Carriages have made in localities where they have been used for several years by Liverymen, Physicians and others requiring hard and constant use, has led to an increased demand from those localities, to meet which the manufacturing facilities of their mammoth establishment have been extended, enabling them now to turn out in good style,
