SNIDER & STEVENS.
Camp Harney, Ogn., Oct. 27, 1880.

A NOTED VISITOR.—Mrs. A. S. Duniway arrived in our city on last Sunday morning and announced that she would deliver a course of three lectures on the "Woman Question." She made her appearance before a crowded house on Monday evening and was introduced by S. H. Shepherd, after which she made an excellent speech, giving a brief history of her life. On the following evening she gave her argument entitled, "Why Not?" On Wednesday she organized a society here, the proceedings of which will be found in another column. Wednesday evening she gave her last lecture, which she calls her "Centennial Lecture," to a crowded house. She took her departure for Prairie City, on the following morning, where she lectured on Thursday evening.

THE THANKSGIVING BALL. By referring to an advertisement in another column it will be seen that a Grand Ball is to be given in this city on the 25th inst. The Managers inform us that they propose to make it the Ball of the season, and that persons attending will be at but little expense, save that of a ticket and supper, and in view thereof they propose to give the patrons of the Agricultural Ball the best time ever had in Canyon City. Don't fail to attend.

While in the city, Mrs. Duniway secured a goodly number of subscribers for her paper and sold a lot of her books, the title page of which reads, "David and Anna Matson, by Abigail Scott Duniway." It is sold for the small sum of \$2.50 and is well worth the price. She will be glad to sell a few more of them and can furnish any quantity desired.

Jacobs & Basford having employed a first class wagon-maker are now better prepared than ever to do all work in their line in a prompt and satisfactory manner. All work warranted.

THE ANNUAL THANKSGIVING SUPPER.

The ladies of the M. E. Church announce that on the evening of Nov. 25th, they will furnish their usual annual Thanksgiving Supper to the people of Canyon City and vicinity. Successive tables will be spread during the evening.

By Order of Committee.
Canyon City, Nov. 9th, 1880.

Mr. and Mrs. Phil. Metschan, of this city were surprised on last Tuesday evening by the visitation of quite a number of the citizens of this place at their residence for the purpose of celebrating Mrs. Metschan's 38th birthday. A splendid time was had and the best supper that has been set in Canyon for months was partaken of by their guests.

Four Through Lines of Railroad

Are now pointing toward Oregon—the Northern Pacific, the Utah Northern, the Winnemucca, and one from Reno. When all these are completed, the rush of population to this northern section will be wonderful, and in anticipation of it, Messrs. Dodge, Davis & Co. have enlarged their facilities for the manufacture of the Oregon Kidney Tea, which has never been known to fail in curing the worst cases of backache or any disease of the kidneys or urinary organs of either sex. Sold all over.

Mrs. J. B. Wilson, Tiffin, Ohio, says:—I have worn an Improved Excelsior Kidney Pad, and received more relief than from all remedies I have ever tried. I cheerfully recommend it to all sufferers.—See Adv.

If you want any doors, sash, hard wood, spokes, harrows, &c., &c., Jacobs & Basford's is the place to get them.

See the Masquerade Ball advertisement. An addition has been made to it and embraces instructions to those that desire to attend.

The Portland Standard advocates war very strong unless Hancock is given the electoral vote. Now, to our mind such talk looks foolish and "Tony" should remember that it only injures the party he represents. If Hancock carried New York no doubt the people will see that he also gets it, but it would seem wise to wait till the National Committee make some move before some paper 3,000 miles away talks of rebellion. The same paper still gives Grant County to Hancock by 100 majority, when it received the full returns in the News a week ago.

Read Jacobs & Basford's new advertisement in the News. They are rushing business now on a Land Office basis.

The Election returns come in rather slow and the result is yet in doubt to many, though to us we think that Oregon has gone about 400 Republican. This County gives 23 Republican majority, on account of Beaver and Warner not holding polls open. Such precincts ought not be allowed any opportunity to vote hereafter.

The little folks had a splendid time at Mr. D. G. Overholt's last week celebrating Miss Overholt's birthday.
