We are to have a Christmas Tree in Canyon City, we understand.

Mrs. C. S. Sewell has returned home from Portland.

Miss Vinie Forrester will sojourn in the county seat this winter.

George B. says he owes us \$15. We know what for too. George is proud.

Miss Ada Worswick will take up her residence in the city for several months.

Have not heard anything more about the Musical Institute this week, think it must have gone up.

Our Brass Band is making good progress. It will soon be one of the best bands in Grant County.

Thompson & Groth's new hotel is quite an ornament to the town. Go in gentlemen, we wish you success.

"Lafe" Farmer was in town last Sunday and returned to his "cabin home" Monday.

Frank McB. says he can dance as good as J. J. W., C. W. P. and S—d.

Now Brackett, you ought to get those old barns out of the way and put up a good house. That is the way to do it.

The Children that attended the M. E. Supper say that E. A. McCoy can play and sing some of the "funniest songs they ever heard."

E. A. B—t says he can't walk four miles these cold nights. C—D and F—H say they like to go to John Day if E. A. B— don't.

Mrs. D—y don't like to connect a Church with a livery stable—at least she left J. W. out of the firm of Wood & Church.

Since the Woman Suffrage Society has been organized in Canyon City quite a number of young ladies have come to town to live.

Let all attend the School Ball at John Day, next Friday night, as it is for a good cause, and then they always come up here.

We have a "Humboldt Washer" that we will sell, or trade for flour, wood, pork, wheat, or chickens.

"Where did you get that nice dress that you wear?" "Why, don't you know W. H. Clark. There is where I got it."

On account of the horrible condition of The Dalles Military Road the rates of freight from The Dalles to Canyon City has gone up to 4 cents.

J. H. Neal, formerly a typo in the News office, is in the city and will remain, perhaps, for an indefinite time.

Go to W. H. Clark's for your dry goods, groceries, boots and shoes, hats and caps, etc., etc. He sells cheap for cash.

The Poindexters are all homesick, so we learn from a private letter, and "Tom" says he misses the Brewery.

It is fun to be an editor, pressman, typo, collector, manager, reporter, mailing clerk, devil and then have the "leedle boys" for company half of each day.

The several different Bankers in this city have been trying to "bust" each others banks for some nights; but they don't seem to "copper" right.

We would suggest that this town be allowed another name—that of Dogtown—or else let a reward be offered to the person that can secure the most dog pelts in a week.

The date of this paper on the 1st should be 4th instead of 5th, and the number on part should be 35 instead of 34. The figures got changed some way.

W. H. CLARK.

From the appearance of goods coming into Canyon City we should think that merchants expected a good season for selling goods. Keep them coming gentlemen.

## TURKEY SHOOTING.

There will be a turkey shooting at Chas. Riley's, on South Fork, on Dec. 21st, 1880. At night a dance will be given and a general good time had.

Last Saturday Mr. A. J. Palmer, who has been sojourning in our town for several months past, took his departure for his home near Silver City, Idaho. He took with him six head of horses that he purchased while here.

The pastor and deacons of a Baptist Church at Baker City, and the pastor of the Methodist Church at the same place, are out in a card denouncing the Rev. Spanswick, the revivalist who has been preaching and doing very naughty things in that neighborhood.

New Goods.—Another invoice of goods has just arrived at the store of W. H. Clark. Selling for cash enables me to pay cash for my goods and to give my customers the advantage of the good bargains.

W. H. CLARK.

Last Saturday we left our two boys in the News office with the "devil" while we went to the Post Office. Upon our return we found them with blackened hands, face and clothes. They had been in the ink. It was all right, of course, as they are "our leedle boys" and we are a "ladies' moin, do you see?"

## NOTICE.
