No Certificates of Publication for Sanctions, Fines, or Penalties, Sheriff, Salaries, Land, or any other Legal Notices, will be given until the Publishers Fees are paid. Remember the above.

Last week we finished up the outside covers and points and we enter Canyon City and find that the M. E. Church is the first place of worship, then to the Catholic Church and school on the hill. Dr. F. C. HORSLEY is the old physician and druggist of the town, and on the corner below is the well known firm of OVERHOLT & MULDRICK that carry an immense stock of everything. Across the street are the GUNDLACH BROS., who do a good business and are the oldest firm in Canyon City. A HUPPRICH is next door and a good boot maker he is too. GRAY BROS. keep the choicest meats and cut the nicest steaks. F. C. SELS keeps the best beer, ale and wine that can be bought and H. Bryer is always ready to wait on you. H. R. SELS, next door, is always sociable and sells groceries cheap. The CITY HOTEL is the place to stop and if you don't find Groth & Thompson to be gentlemen then we are no judge. PHIL. METSCHAN & Co. are the merchants that always carry a full stock and deal rightly. G. I. HAZELTINE can take a picture as good as any artist in Oregon. The PUBLIC SCHOOL is on the hill and affords good opportunities for the children to educate. The EPISCOPAL CHURCH is supplied now and services are held regularly. The NEWS office is opposite so just drop in and leave \$3. E. A. ENIS is also a good shoemaker and JAC. HERBURGER can sell you beef, mutton and lard, while J. SEGERDORF can set you a meal or furnish you board. You can now attend the ODD FELLOWS Lodge, if MASONIC Lodge meets go to that, but whatever you do, do not forget that we are all human and if perchance we have omitted any person, firm or society in our travels over the county, please forgive and send in an advertisement for revenge.

J. OLLIVER & Co. sell pure and fresh milk and have an immense trade, but yet Mr. GEO. SOLLINGER is kept busy helping to supply nice and good milk to his customers.

The CHICAGO WEEKLY NEWS and the GRANT COUNTY NEWS for \$3.50 a Year, Positively Cash.

Our proposition of last year to club the CHICAGO WEEKLY NEWS with the GRANT COUNTY NEWS at the very moderate price of \$3.50 a year for both papers, was so well received that we take pleasure in renewing the proposition for the coming year. A large number of our subscribers have been receiving the Chicago Weekly News during the past year, and their testimony is unanimous that the promise that the News would be found an excellent general family newspaper has been fully sustained. Special mention has been made of its very complete telegraphic reports from all quarters of the world, while in the family circle it has won an enviable popularity by its peculiar feature of six completed stories in every number. Its Chicago market reports are pronounced very complete and trustworthy. With such commendations as these from many of our subscribers who have been reading the News the past year, we have no hesitation in again commending the Chicago Weekly News to all who wish a metropolitan weekly journal of undoubted worth and reliability. Our special clubbing arrangement enables us to bring the paper within the reach of every one.

A dispatch received at headquarters of the Department of the Columbia, states that Gen. O. O. Howard has been assigned to the command of the military academy at West Point, and Gen. Frank Wheaton, Colonel of the 21 Infantry, is to relieve Gen. Howard of the command of the Department of the Columbia.

John Wesley Coad, formerly of the Willamette Valley, and a foot racer, got a man in Denver to back him for \$18,000 and then threw the race and the man shot and killed him.
