TEACHERS' INSTITUTE.

The Teachers of Grant County and all friends of education are invited to meet in the Court House in Canyon City, on Tuesday, Dec. 29, 1880, to hold the annual session of the Grant County Teachers' Institute. All members and teachers who can attend are urged to do so.

J. W. MACK
Co. School Supt.

Well, here we are in our new office and we shall, of course have to say a little about it. W. A. Jacobs, of the firm of Jacobs & Bedford, took the contract to build a building suitable for an office and residence but a week or two since, and he, with the assistance of Mr. Pegg, completed the whole business a few days ago. Such work is surely commendable, and when we see that it is all done so well we say that they surely merit the name they receive, i. e., the best contractors in this upper country. This job makes the 12th that they have completed this year; the largest of which took over 22,000 feet of lumber, and the smallest consisted of a combination of ten stables for the Grant County Agricultural Society. We feel under obligations to Mr. Jacobs for his speedy supervision of the work on our building and recommend him to our friends as a successful contractor.

THANKS.

We, the teachers and pupils of the Canyon City School, tender our sincere and heartfelt thanks to the members of the Masonic Fraternity for the use of their hall; and to Mr. and Mrs. McCoy, who as musicians, are equal to any and second to none in Oregon; also Mrs. Wm. Hall for the use of her piano; and to the Thaian Club for the use of their scenery and curtains; likewise to E. E. Purrington, who aided us in our exhibition; and while we are thanking others, we would by no means pass by the Canyon City Cornet Band; whose music was highly appreciated; and succeeded in drawing to out benefit a good audience.

The School Exhibition given by the Canyon City public school on last Wednesday evening was a grand success in every particular, and parents and teachers should feel proud of the advancement that their children have made under the teaching of Mr. and Mrs. Bonham. We should like to mention each one, but cannot as space is not broad enough. To mention a few as doing well would only confound matters for all, both pupils and teachers, did splendid.

The net receipts were \$82.25
Gross receipts, \$86.25.

NOTICE.

The Copartnership heretofore existing between the undersigned, in the name of Shaw & Jones, at Prairie City, Grant Co., Oregon, was, on the 4th day of December, 1880, dissolved by mutual consent. All parties interested will please take notice.

"Shut the door," is the popular exclamation in these days.

The weather is everything by turns and nothing long.

We noticed quite a number of Strawberry Valley people in attendance at the exhibition.

Christmas gift, did you say? Well we beat you this time.

Read our clubbing announcement with the Chicago Weekly News.

Excuse us this week, it is Christmas to-day.

Some person could make money here, perhaps, by starting a Kindergarten.

Come and see us in our new office when you come to town, and "don't you forget it" either.

We have just received a piece of music from a friend's music house, of a beautiful melody "Cherry Blossoms" with a song and chorus composed by Chas. E. Bay.

Mr. Gundlach, a brother to our fellow townsmen, is in the city and will remain for an indefinite period. He formerly resided here and we welcome him back again.

CARPET WEAVING.

Mrs. R. F. Dyack, near Prairie City, has the public that she is prepared to do carpet weaving on order, at the following prices: 3 1/2 cents per yard and full width warp, not furnished, 25 cts.

The person or persons who borrowed the piano, crowbar, etc., from my tool house, will please to be so kind as to bring them home, as I have not several good opportunities to rent them since they were borrowed. Wm. N. Bonham, Mt. Vernon.

The Episcopal Church desires to thank the ladies and gentlemen of Canyon City very kindly for their very valuable assistance in decorating the church, especially Mr. Gundlach, Mrs. Horsley, Mrs. Shepherd and Mr. and Mrs. McCoy.

Christmas Services.—There will be Divine Services for Christmas Day, and the celebration of the Holy Communion in the Episcopal Church Canyon City, Saturday morning at 11 A. M.

On Sunday morning, 11 A. M., Episcopal service will be held in the hall, Prairie City.

NOTICE.

To all whom it may concern. We, the undersigned, would respectfully inform all persons indebted to us that they must settle their account on or before the 1st of Jan., 1881, either by cash or note. We must and will balance our books at that date, and those that do not settle in some way with us by that time will have to settle with an attorney. We can't stand the pressure any longer.

GRAY & BRO.

Centuries and centuries have made their marks on the tablets of time since the humble birth in the manger at Bethlehem, of July, and yet all ages since have held sacred and holy the Nativity; kings and monarchs have become His subjects. Though 1880 years have passed, yet to-day the event is as hallowed to the weary exile in the depths of frozen Siberia as it was to the peaceful shepherds on the plains of Judea. The world has taken up the refrain of that angelic song of peace on earth, good will to men, and thousands have periled their lives to tell these glad tidings in the jungles of India, and in the tropical forests of Africa. Through all the centuries of strife and war, and yet above the storms of battle or the sea of human passions, that same voice has been heard speaking in His divine nature and saying, If thine enemy thirst, give him drink; if he hunger, give him food.

WASHINGTON, Dec. 17.—Debate on an act of Utah, which has for its object a seat in Congress is now disturbed by reports from Utah that Governor Murray will withhold his certificate and give it to Campbell upon the ground that Cannon is married to a Utah girl, and has never been legally naturalized a citizen of the U. S. Cannon says, I think the Governor will let me as long as possible in giving me a certificate. I doubt if he will give to Campbell. No one disputes my opinion on the merits of the question. The Governor is only a mistake in office. He can not judge my election. The House is the only body empowered to judge of the qualifications of its own members. Cannon will probably contest my seat. He calls that I am not a legally naturalized citizen of the U. S. That question was settled by the 44th Congress. My seat was questioned at that time, the question of citizenship being the principal one involved. While no report on that question was ever made to the House, members of the committee were unanimously of the opinion that I had been properly naturalized.
