Helping the Right Side.

To help the right side is not only commendable in a general point of view, but is judicious and prudent when that help is enlisted in behalf of the right side of the body, just over the lower ribs in the region of the liver. The most efficient help is afforded by Hostetter's Stomach Bitters, an anti-bilious medicine of incomparable efficacy. Inaction of the liver is accompanied by constipation, sick-headache, furred tongue, nausea, occasional vertigo, an unpleasant breath, yellowness of the skin and ball of the eye. The cause of these symptoms, liver complaint, routed by the Bitters is accompanied by them in its flight. Fever and ague, which always involves the liver, dyspepsia, rheumatism, debility and kidney troubles are all maladies to the early relief and final cure of which this standard medicine is adapted. Don't use it by fits and starts, but systematically, that its full effects may result in a perfect restoration of health.

DON'T

let that cold of yours run on. You think it is a light thing. But it may run into a catarrh, Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept healthy and free of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is, themselves." Bottle only 75. Ask any druggist.

WHAT AM I TO DO?

The symptoms of Biliousness are unhappy but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequent, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhea or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it cost but a trifle and thousands attests its efficacy.

WHAT AILS YOU?

Do you feel dull, languid, Low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "faintness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained a world-wide reputation for curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery
