St. Jacobs Oil

used according to DIRECTIONS with each BOTTLE, FOR BURNS AND SCALDS.

It is only on true principles that nature is helped in its struggle, and only through ignorance that pain is intensified or protracted where it could be relieved.

By JACOBS OIL CURES PERMANENTLY.

Daily Mishaps.—Scores of people daily brought in with heat, steam, boiling water and combustibles are hourly injured by some mishap in the nature of a burn or scald, and thousands have been cured of such by this best known remedy for the cure of pain.

PAINLESSLY, PERFECTLY, SURELY.

How it Acts.—It acts as a counter-irritant on the surface injured, gently drawing out the heat caused by the burn, while it soothes the pain, helping nature in the healing process and a cure follows. It is a specific for pains of this kind and should be kept handy where fire and steam are used.

EVERY BOTTLE CONTAINS A CURE.

Precaution.—But as a precaution to its use where serious burns and scalds occur, and that suffering may not be intensified through ignorance, read carefully directions for its use accompanying every bottle of St. Jacobs Oil.

Notice to Taxpayers.

Whereas, there appears to be a lack of knowledge of the law in regard to the collection of taxes with a large majority of the Taxpayers of Grant County I take this method of informing them. The Statute provides as follows (Hill's Code, page 1301):

"It shall be the duty of the Sheriff upon receipt of the Tax Roll from the County Clerk, immediately thereafter to give notice by posting land bills, three in each precinct, to the effect that he or his deputy will attend at the usual place of voting in each precinct in his county, for the purpose of collecting taxes, notice to be given fifteen days before such meeting, and if any person residing in such precinct shall fail to attend at such time and place and pay his or her taxes such delinquent may pay the same within thirty days at the County Seat to the Sheriff, and if he fails to pay within the thirty days and the Sheriff visits his residence the Sheriff may collect of such person for his own use ten cents per mile going and returning."

The law further provides, page 1306, that:

"The Sheriff shall on the first Monday of April make out a list of the Delinquent Taxes in his County and return the same to the County Court with an affidavit to be annexed to the same to the effect that such taxes as are so returned as unpaid are not paid and that he has not upon diligent inquiry been able to find any goods or chattels belonging to persons so returned wherein he could levy the same."

Now I do not propose to take such an oath without first making an effort to find the property and if found to sell the same before the first Monday in April to satisfy such taxes.

W. P. GRAY, Sheriff.
