in some years. Already 6000 quickest possible way." men, women and children have left the state, and is estimated that 20,000 more will go before midsummer.

now quoted at from 17 to 20 cents in grease, for Eastern Or. Small sales of No. 2 valley have regarded as democrats and rebeen made at 25 cents. Californias are quoted at from 18 to has taken time by the forelock 22 cents. The secured basis for this year's growth would be about 57 cents, and California will fall at about 52 cents.

A speaker before a Farmers' Institute in Massachusetts the other day argued that farming had more bright sides than any other business if the farmer only knew it. Unfortunately, the farmer didn't always know it. Then he used this illustration: "Do you hear that delightful music?" said a traveller to his comrade, as he heard the soft baying of a hound. "No," was menthed declarations of party Strayed from Beaver creek range such further relief as to the court the reply; "that devilish dog makes such a racket I can't hear anything."

expected that the west would Republican. rise up and call him blessed and invest largely in the implement which united the purposes of agriculture and war. The beam a tradition of a long lost island called of the plow is a carnon.
