

RHEUMATISM AND NEURALGIA

These two diseases cause untold suffering. Do not despair that they are difficult to cure—send for their patients. Paine's Celery Compound has permanently cured the worst cases of rheumatism and neuralgia—so say those who have used it.

"Having been troubled with rheumatism at the knee and foot for five years, I was almost unable to get around, and was very often confined to my bed for weeks at a time. I used only one bottle of Paine's Celery Compound, and was perfectly cured. I can now jump about, and feel as light as a feather." FRANK CARROLL, 1000 Broadway, New York.

A Fine Moral Distinction.

"James," said the grocer as he looked up from the morning paper, "they have begun to make maple sugar in Vermont already."

"Yes, sir," said the clerk with ready comprehension. "Those maple sugar bricks left over from last year are down cellar. I'll have them sandpapered and put in the front window to-morrow morning."

"Have you the same sign you had last year to stick up in the box?"

"Yes. It reads 'Fresh from Vermont. Strictly pure.'"

"You may use that sign again, James. I don't think it would be exactly right to paint a new one with that inscription."

—Chicago Tribune.

Wife—"This light is very poor. The gas seems to be lower with every week." Husband—"So it does; but the bill is all right. It gets higher every time."

Undeservedly Laughed At.
The unthinking are prone to make game of nervousness. Yet this is a very real and serious affliction, the harassing symptoms of which are rendered all the more poignant by ridicule. The stomach is usually responsible for these symptoms—its weakness and disorder find a reflex in the brain, which is the headquarters of the nervous system. As a nerve tonic and tranquilizer, we believe that but one can be pointed out so effective as Hostetter's Stomach Bitters. In renewing vigorous digestion, it strikes the key note of recovery of strength and quietude by the nerves. Headaches, tremors, in quiet sleep, abnormal sensitiveness to unexpected noises—all these modify and ultimately disappear as the system gains strength from the great tonic. Dyspepsia, biliousness, rheumatism, constipation and kidney complaints are subdued by the Bitters.

SYMPTOMS OF CATARRH—Dull, heavy feeling, obstruction of the nasal passages, discharges falling from the head into the throat, sneezing, itching, watery, and acrid, at other times, tenacious, mucous, purulent, bloody and stringy in the ears, deafness, itching or coughing to clear the throat, expectation of offensive matter, together with scales from the nose; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Sold by Druggists everywhere; 50 cents.

"Enjoys Agency from Catarrh."

Prof. W. H. WATSON, the famous mesmerist, suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my whole body became so hoarse, I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was well again, and the cure has been permanent."

"Constantly Sneezing and Spitting."

THOMAS J. ROBERTS, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly sneezing and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now well again. I believe it to be the only true remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent postage stamp. Address:
