RHEUMATISM AND NEURALGIA

These twin diseases cause untold suffering. Doctors admit that they are difficult to cure—so do their patients. Paine's Celery Compound has permanently cured the worst cases of rheumatism and neuralgia—so say those who have used it.

"Having been troubled with rheumatism at the knee and foot for five years, I was almost unable to get around, and was very often confined to my bed for weeks at a time. I used only one bottle of Paine's Celery Compound, and was perfectly cured. I can now run around, and feel as lively as a boy." FRANK CARON. Reveia, Nevada.

WELLS, RICHARDSON & Co., Props. Burlington, Vt.

"Paine's Celery Compound has been a God-send to me. For the past two years I have suffered with neuralgia of the heart, doctor after doctor failing to cure me. I have now taken nearly four bottles of the Compound, and am free from the complaint. I feel very grateful to you." CHAS. H. LEWIS, Central Village, Ct.

Paine's Celery Compound

"I have been greatly afflicted with acute rheumatism, and could find no relief until I used Paine's Celery Compound. After using six bottles of this medicine I am now cured of rheumatic troubles."

SAMUEL HUTCHINSON, So. Cornish, N. H.

Effects Lasting Cures.

Paine's Celery Compound has performed many other cures as marvellous as these,—copies of letters sent to any address. Pleasant to take, does not disturb, but aids digestion, and entirely vegetable; a child can take it. What's the use of suffering longer with rheumatism or neuralgia?

Walking on Eggs all the Time.

At Greensboro they pointed out an old darkey whom they said had just got married and was going out on a piece of rented land to make a start in life. I followed him out to his cart, to which was hitched an old faded ox. His bride, a coal black damsel of 18, sat on a bag of corn in the cart and held to the rope lines around the ox's horns. The cart contained in addition a skillet, a kettle, ten pounds of salt pork and a jug holding two quarts of molasses. There was a tick for a straw bed, a hen's feather pillow and an old blanket. That was the outfit.

"So you have just got married?"

"Yes, sah—dun jist got married to dat gal."

"How old are you, uncle?"

"Shoo, now, but I reckon I'ze about 60."

"And you've got a young wife?"

"Yes, sah—done got a gal."

"And you are happy?"

"Happy, sah! Why, Ize walkin' right on aigs all de time!"

"And you are now going to make a start in life?"

"Yes, sah—goine to start right off. Got de ox, got de cart, got de gal, and got two whole weeks' pervishuns, an' if dar's any old nigger in Norf Caroliny who feels mo' like jumpin' fo' feet high an' yellin' for Canaan dan I does I'll gin two bits to see him.—Chicago Herald.

A story is told of a money-lender living north of Harlem river who has acquired the reputation of being as parsimonious and envious as he is rich. Having occasion to visit a man to whom he had frequently lent money with usury (and who had by industry and punctuality acquired a competence) he was most cordially received by his former customer, who took him into his well-kept garden. Passing through a walk lined on either side with beautiful flowers, the money-lender made no remark until he came to a patch of potatoes, when he exclaimed: "My friend, you'll have a nice crop of potatoes here." "Yes," was the reply, "that's just like you. When gentlemen and ladies through my garden they all admire my flowers, but when I bring in a d——d hog, all he can see is potatoes."

Boston Man—I though this was a climate for lung and throat trouble.

Alkali Bill—Arizona has the best climate in the world, stranger, for just such things as them.

Boston Man—Yet my young friend Skinner died about a month ago with throat trouble, didn't he?

Alkali Bill—Well, I reckon he did. But you see his throat trouble was kind of mixed up mixed up with the vigilance committee, and that's a sort of bad feature in the disease."

Consumption Surely Cured.

TO THE EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy free to any of your readers who have consumption if they will send me their express and post office address. Respectfully, T. A. SLOCUM, M. C., 181 Pearl St., New York.

OUR $1 A WEEK Club System while as convenient to the buyer as any instalment system, is a wholesale spot cash system to us. The co-operation of the club members sells us 26 watches in each $38 Watch Club, and we get cash from the Club for each watch before it goes out, though each member only pays $1 a week. This is why we give you more for your money than any one else and why we are doing the largest watch business in the world. We sell only first quality goods, but our prices are about what others get for second quality. Our $10 Silver Watch is a substantial Silver (*not imitation of any kind*) Stem-Wind American Lever Watch—either hunting case or open. Our $25.00 Watch is a Stem-wind, Open Face, first quality, stiffened Gold American Lever Watch, *guarantee for 20 years.* It is fully equal to any watch sold for $38 by others. We find a first-class Stiffened Gold Case much more satisfactory and serviceable than any Solid Gold Case that can be sold at less than double the money, as cheap solid cases are invariably thin, weak, of low quality, and worthless after short use. Our $38 Watch contains numerous important patented improvements, of vital importance to accurate timing—*Patent Dustproof, Patent Stem Wind, &c.*, which we control exclusively. It is fully equal for accuracy, appearance, durability and service, to any $75 Watch, either Open Face or Hunting. Our $42.00 Railroad Watch is especially constructed for the most exacting use, and is the best Railroad Watch made, Open Face or Hunting. All these prices are either all cash or in clubs.

Dobbins' Electric Soap

THE BEST FAMILY SOAP —IN THE WORLD.—

It is Strictly Pure. Uniform in Quality.

THE original formula for which we paid $50,000 *twenty years ago* has never been modified or changed in the slightest. **This soap is identical in quality to-day with that made twenty years ago.**

IT contains **nothing that can injure the finest fabric.** It brightens colors and bleaches whites.

IT washes flannels and blankets as no other soap in the world does—without shrinking—leaving them soft and white and like new.

READ THIS TWICE

THERE is a **great saving** of time, of labor, of soap, of fuel, and of the fabric, where Dobbins' Electric Soap is used **according to directions.**

ONE **trial** will demonstrate its great merit. It will pay you to make that trial.

LIKE all **best things,** it is extensively imitated and counterfeited.

Beware of Imitations.

INSIST upon **Dobbins'** Electric. Don't take Magnetic, Electro-Magic, Philadelphia Electric, or any other fraud, simply because it is cheap. They will ruin clothes, and are dear at any price. Ask for

—DOBBINS' ELECTRIC—

and take no other. Nearly every grocer from Maine to Mexico keeps it in stock. If yours hasn't it, he will order from his nearest wholesale grocer.

READ carefully the inside wrapper around each bar, and be careful to **follow directions** on each outside wrapper. You **cannot afford** to wait longer before trying for yourself this old, reliable, and truly wonderful

Dobbins' Electric Soap.
