

It Makes You Hungry

Paine's Celery Compound
is a unique food and appetite. Pleasant to the taste, quick in its action, and without any injurious effect, it gives that rugged health which makes everything taste good. Physicians prescribe it. 10c. Six for \$5.00. Druggists.

Spring medicine means more now-a-days than it did two years ago. The winter of 1888-89 has left the nerves all jangled out. The nerves must be strengthened, the blood purified, liver and bowels regulated. Paine's Celery Compound—the Spring medicine of today—does all this. It is nothing else can. Prescribed by Physicians. Recommended by Druggists. Endorsed by Ministers. Guaranteed by the Manufacturers to be

The Best Spring Medicine.
"In the spring of 1887 I was all run down. I would get up in the morning with so tired a feeling, and was so weak that I could hardly get around. I thought I had lost my health. I had taken a lot of medicine, but it did me no good. I felt very much better. I can safely recommend it to all who need a building up and strengthening medicine." Mrs. R. A. Dow, Burlington, Vt.

Dobbins' Electric Soap

THE BEST FAMILY SOAP

—IN THE WORLD.

It is Strictly Pure. Uniform in Quality.

THE original formula, for which we paid \$50,000 every year ago has never been modified or changed in the slightest. This soap is identical in quality today with that made twenty years ago.

It contains nothing that can injure the finest fabric. It brightens colors and bleaches white.

It washes flannels and blankets as no other soap in the world does—without shrinking—leaving them soft and white and like new.

READ THIS TWICE

THERE is a great saving of time, of labor, of soap, of fuel, and of the fabric, when Dobbins' Electric Soap is used according to directions.

ONE trial will demonstrate its great merit. It will pay you to make that trial.

LIKE all best things, it is extensively imitated and counterfeited.

Beware of Imitations.

INSIST upon Dobbins' Electric. Don't take Magnetic, Electro-Magic, Philadelphia Electric, or any other brand, simply because it is cheap. They will ruin clothes, and are dear at any price. Ask for

DOBBINS' ELECTRIC

and take no other. Nearly every grocer from Maine to Mexico keeps it in stock. If yours hasn't it, he will order from his nearest wholesale grocer.

READ carefully the inside wrapper around each bar, and be careful to follow directions on each outside wrapper. You cannot afford to wait longer before trying for yourself this old, reliable, and truly wonderful

Dobbins' Electric Soap.
