> "Let us not waste our time." yelled the temperance lecturer. "Let us not waste our time in dealing with the small saloons and grog-shops. Let us go to the fountain-head. Let us go to the brewery, my friends. "All right," chimed in an old soaker from a back seat, "I'm with vou." —America.

Find out what a man talks about most naturally and fremently, and you will thereby find out the ordinary current of his thoughts. Find out what this current is, and you will thereby find out upon what objects his heart is placed. Words thus become an index to one's character. All men naturally talk as they feel, and when the reverse is true of them, there is always some special reason there-
