The land with water The clivic acts on all the organs would be worth ten times the indirectly, making an aged man cost of the ditch. Four mil as he says, thirty years younger. lions of acres means 25,000 Farther experiments will be homesteads of 160 acres each, made at once. It it turns out A homestead means at least five that the clixir has the proper persons, and five persons means 125,000 people.

The theological idea of the final destruction of the world in one grand conflagration is being provided for on natural seientific laws. The New Orleans Picayune, in an editorial in a late issue, concludes with the lights now in existence and be ing discussed, it will not do to ridicule or laugh at the proclaimed doctrine of the earth's destruction by a great fire. This can occur by the sufficient mixture of oxygen with the necessary gas in the earth to make it inflammable. The enormous deposits of oil and gas, not only in the United States, but also in Russia and China, present decataclysmal planetary conflagra- ple, it is to be hoped the great for the costs and disbursements in

Lieut. Wood, of the United his month." - Wasen Sun. States navy, has not a very high opinion of American missionaales missionaries in Cuina and Corea. He has spent much time there, and has been a witness of their operations to Christinnize the natives. He makes this statement: "It is not extravagant to say that the work of the missionaries in China and Corea has been absolutely without any result, except to hold them up to the ridicule of the natives. It has been before stated, and I concur in the belief, that there is not a Chinese convert to Christianity of sound mind to-day within the entire extent of China. The converts we hear of in this county are FECT REMEDY is act gently yet merely menials employed about the quarters of the missionaries. who for a salary of \$4 per month become converts, but when they are discharged there is no further evidence of their change of mind. The missionaries do not mix with the natives to any considerable extent, and many of their meetings are not only conducted in English, but with themselves as audiences. As for a nobleman of Corea or Lormonte, K. a mandarin of China ever acknowledging the Christian faith When in Heppner don't fail to such a thing was never thought call on LEEZER & THOMPSON of.
