### December 12, 1889.

Prof. Gastrill, the Baltimore Anarchist, recently told his comrades at Philadelphia that the first thing to be done was "to kill off all the reporters of the capitalistic press." The professor will be sorry for this when he gets sober.

The silver question is now agitating the American people, and there is some talk of introducing a bill for the coinage of more of this metal. If it is introduced it will The vote for speakership stood, come from the mining states, who Reed 166, Carlysle 154. In the

Work on the Caseade locks was stopped December 1. The following somewhat trite but not mis the cabinet to make war on the placed remark is found in the Pacific coast by nullifying the an-Waitsburg Times: "The locks ti-Chinese law, and seeking to will probably be completed and demonetize silver, President flarready for business in about a hun- rison will hear an echo of the dred years hence; but yon can't Ohio and Iowa elections from Ore-always most generally tell what gon next June.-Portland World. you least expect the most."

President Harrison in his mes. will require on outlay of \$10,000 to sage to congress reviews at some construct and equip, is being surlength the state of prosperity the veyed at Umatilla, radiating into country onjoys, and the peaceful the surrounding country. Work attitude towards all nations of the will be commenced in about two earth. Tariff revision is urgent, out, will make valuable many thousbut should be made on protective ands of acres of land now lying in Buos. The president thinks that storile idleness for want of irrigasubsidies to American steamships tion. are mecessary to restore the merchant marine.

Ida Delmer, the sweetheart of turning to his home from Mr. Anarchist Lingg the bomb maker, Isaac's place, met with a strange has just been received at the Joli adventure.
