Peculiar

Many peculiar points make Hood's Sarsaparilla superior to all other medicines. Peculiar in combination, proportion, and preparation of ingredients, Hood's Sarsaparilla possesses the full curative value of the best known remedies of the vegetable kingdom. Peculiar in its strength and economy—Hood's Sarsaparilla is the only medicine of which can truly be said, "One Hundred Doses One Dollar." Medicines in larger and smaller bottles require larger doses, and do not produce as good results as Hood's. Peculiar in its medicinal merits, Hood's Sarsaparilla accomplishes cures hitherto unknown, and has won for itself the title of "The greatest blood purifier ever discovered."

Peculiar in its "good name at home"—there is now more of Hood's Sarsaparilla sold in Lowell, where it is made, than of all other blood purifiers. Peculiar in its phenomenal record of sales abroad, no other preparation has ever attained such popularity in so short a time, and retained its popularity and confidence among all classes of people so steadfastly.

Do not be induced to buy other preparations, but be sure to get the Peculiar Medicine, **Hood's Sarsaparilla** sold by all druggists, \$1; six for \$5. Prepared only by C. I. HOOD & CO., Apothecaries, Lowell, Mass. **100 Doses One Dollar**

It is not so long since cannibalism prevailed among the Indians of Guinea, the Carribeans, the Papuans, the natives of the Solomon and the Marquise Islands, etc., and it still exists among several of these people, to say nothing of certain others who inhabit the interior of Africa.

The worst fault that people find with the fellow who is always saying that he feels like committing suicide is that he doesn't go and do it.
