WASHINGTON LETTER.

Mr. Harrison and his administraion have certainly had quite a lively week of it. First came the ansouncement that another one of the cabinet--Mr. Wanamaker-h a d been severely attacked by the presidential fever and that his condition was growing critical; then the faraway newspapers containing critiisms of Mr. Harrison's action in allowing Mrs. Harrison to accept the gift of a summer coltage at Cape May Point, began coming in, and what made these particularly worrying was the fact that some of the sharpest criticisms were printed in republican papers; next the House epublican cancus decided that a Federal election bill must be passed and last and worst of all the senate by a vote of 42 to 25 kicked over the administration's silver pro- I could hear of, but received no benramme as represented in the Winom bill, which had passed the House, and adopted an amendment thereto providing for the free and unlimited coinage of silver.

The junior senator from Colorado Mr. Wolcott who is one of the voungest men in the senate, made a speech in flevor of the free coinage of silver which at once established his putation as an erator, if it did not hange any votes on the silver bill. He attacted Mr. Harrison for trying to injure silver and make a mercanle commodity, such as wire, copor or any other base metal, notpublican national platform favoring silves; but what probably cut most of all was hir reference to the fact that Mr. Harrison was "standing in the shadow of a great name
