The French government is en-  
deavoring to unite all the great  
powers in a demand upon the In-

such a tariff law as suits its own  
sweet will, it had better lower the  
flag as an independent nation.

A Card of Thanks.  
I desire to thank the friends and  
neighbors most heartily in this  
manner for their united aid and  
co-operation during the illness and  
death of my recent husband, who  
escaped from me by the hand of  
death on Friday last while we  
were eating breakfast. To the  
friends, both one and all, who thus  
contributed so willingly toward  
making the last moments and fu-  
neral of my husband a howling  
success, I desire to be remembered  
most kindly, hoping that these  
few lines may find them enjoying  
the same blessing. I bow to the  
cruel stroke. I also have a good  
milk cow and roan gelding horse  
rising of eight years old, which I  
will sell cheap on the premises.  
God moves in a mysterious way  
his wonders to perform. He plants  
his footsteps in the sea and rides  
upon the storm. Also a black and  
white shote very low. Yours truly,  
**HANNAH ROSEOLA PEETY.**
