BEATTY'S

BEATTY'S TOUR OF THE WORLD.
BEATTY'S

Prior to the passage of the silver bill an ounce of silver was worth 93 cents in gold, now it is worth \$1.194.

The time in which Chicago must prepare for the World's Fair is not long. Chicago has a rapid habit, but if she does not hurry she will not have time to chew what she has bitten off.

A young woman who pays a large amount of taxes in Salem claims the right to pasture her cows in the school house grounds, because she never had any children to send to school. That woman ought to have been a lawyer.

Southern papers are alarmed by the extensive purchases of the pine lands in that section by Northern lumbermen. It is said they are quietly buying up all the pine lands with the view of moving to the South in the near future. The Southern people are advised not to sell at the low prices they have been asking.
