EHAPTER BI A MOSTOR VERDICE.

Arrived at a police station the party marched in and halted in front of a big counter behind which sat a benignantlooking man reading a book. Drane Saw that It was a volume of Shakespeare. and he felt a dim hope that this man at least would prove to be kind and me," replied Drane, "and I den't want custing. He did not know the New to talk to you." York polls men though he was scraping All right, all right, said the rage mouthness with the species faster than he really cared to. The man at the desk continued to read until he had used to this bosted at Drane and usked.

"What's your name?"

"What's your name?"

"That's include a probably right. At the other that the fellow was probably right. At the other with a square meal I daily the reported in them would write use for the probably right. At the other was given by their your as the rage and the rag

notoricity would be heaped upon him. The benignant man's face wrinkled into an incredules, successful time. He saw that she was speaking the edjerty faily who had carried off his an incredules, successful the pat the eagerly with an elderly lady who steed park as quaintaine on the other side of the rail. Where do you live?" he demanded.

His garments would belie his claim to this garments would belie his claim to conversation which Lawrence could not be a gentleman; for the same reason he bear, and then both women stepped charitable disposition in assisting into that he had undertaken more for the that he had undertaken more for the sake of diversion than for any need of back Lawrence caught her eye and misery he blasted out:

"I haven't any business". "Umph! walking gent. I suppose," smilthe man at the big desk. "What were you doing with this man and woman?" one lady at oncobegan a protest and explanation which waveleeked

Miles W. Levil Say, your will you keep quiet until you're asked to say something?

The accessor declared that Drane had assaulted him and traid to rob him. Lock him on "wald the bet languageman. drily, and the obsticat policeman conducted Lawrence to a cell. As be passed | tal," he thought, "and so I will, by through the doneway he heard the young fully a bling bitterly. Walking down the corridor he repressed the tremetabolis resentment that rapid within Jim Jutas your as the key was turned

I wish you dilet me have a word with.

The officer paused. Drane had intended to tell his story, hoping to con-vious his palor. If not of his immovenee, that at least there was a grave-error in the proceedings once where, but his feelings overpowered him.

I'd love you understand " he exclaimed, "that you don't know whom you are dealing with I could buy this name fifty times ever and not feel it? My reputation never has been quesand somebody will suffer for this. Why-"

"Oh, rate" interrupted the latter, and he walked away. There is no phrase in presses so touch costempt into so awall a space as that one word "Rata!" It is unanswerable complete, degreesing. As Lawrence intenest to any patter's retreating fourness his resentment turned

"That just hows," he thought, "how ill flated I am for those elethes. If I had heen be went up to wear them I should have known how to express myself adequately Some really shocking language might have had an effect on

Then for four mortal hours Lawrence minated on visions of penal serviinde, balls and chains, breaking rocks, stories of galley slaves; and he wondered whether much famed Sing Sing would be better ventilated than his present quarters. He took one little comfort in his graesome reflections he could at least depend on something to call as ong as the Government should be his There was no breakfast for him, however, and when at last was marched to Jefferson Market court he was in that state of faintness that he would have walked willingly many miles had the officers required it Without realising low time had passed or what had happened he found himself one of a nende-ript company shot in by an iron railing. The audie-ce room was crowded with specfators and in the enclosure where he stead were policement lawyers and repoters Lawrence shrunk as chose as he could against the wall and gave way to prefound discouragement.

Well, pard," said a low voice at his side. "you seem to have struck it rough

Drane saw a man in rags more, loathsome than his own, with rum-bleated features leaving at him sympathetically . You have the advantage of me, sir,'

he responded haughtily. "I guess not," with the other, with a gun, and at last "Thou as dones" was general way that there were plenty of sould laugh at his strange experience. I guess not," with the other, with a

I knows ye, that I ever had the honor of 'sochim' with ye, but I recognize the fraternity wherever I comes across 'em,

Drane shuddered.

'I'm goin' to take a vacation at the Island," continued the other, cheerfully. "Got kind o' tired walkin', an' need to rest up. Spect to go up for long?" "I don't know what they will do with

"All right, all right," said the raga-

the reporters in town would write up side of the court where several women is it lyoungles potatoes. his adventures, that the accounts would prisoners were grouped he saw the What to do to get this desirable re-be telegraphed to Western in waspapers of any that to do with bringing him there. He is paid down the avenue a moment and started at once to go over and speak to then returned to the court room. He So, "Tom Jones," he replied at hazard | her, and of course a policeman prevented inquired of an officer near the door about

utterly at a less to carry on his fiction, few minutes she was called before the hope that she would help him somehow and when he was questioned as to his judge, and the elderly lady stood up in his straits business he hung his head in despair with her at the bar. There was a brief could not expiain that he was charged down and passed through the gate into with culisting Boston capital in the interest of a new railread, a commission | way out of the court, but the young lady | money making and in a fair frenzy of howelf. Shereturned his saintation and nucrically whispered to her companion. The latter raised a pair of glasses, beau-(Ifully framed and handled in chony, to | avenue. He amused himself on the way her eyes and scratinized Drane keenly.

"th, yes, go on," thought Lawrence, by the officer in charge of her, who "lie's a bad case, of course. Look at his lother and his villatmoss face?"

The young lady's face was grave with disappointment, but just as the doorwas or's heart bound.

"She's trying to tell me to be hope-

For a full minute after that he felt convinced that somehow all would go well with him; but this applifting of his oul was francient. He soon relapsed into a dull; faint indifference, paving no attention whatever to the trial of cases onstantly going on before him. He did hear the order call out twice comprehend what was up when an officer seized him by the shoulder roughly,

another case was consided before the indge. Lawrence, standing at the bar, warn you that you can not impose tried to listen. He caught some word; nor. So they discharged you. If no about "common vagabond," and "state If you're willing to work I will send you beer gaug." but he could not understand a bard to a word yard it all. Presently however, the prisoner and Lawrence thave had to work in my lifet I don't recognized his recent asquaintance, the rarangulin, ask for moria I did not come here to carangulin.
