#### WASHINGTON LETTER.

Washington, D. C., April 3. EDITOR GRANT CO. NEWS:-A by the statement, from an anthentic source, that the Farmers' Alliance had about succeeded in capturing another state, and that the capture included two United States senators. The state is all railroads. Missippi, and it is said that the year, which, owing to the peculiar constitution of that state, will elect the successors to Senators George and Walthall. The indications of that has generally prevailed. Alliance success which confronted Senator Walthall when he recently returned home are said to have been the real cause of the unexfor re-election, an announcement that was received with astonishment by his friends here at the
