PRAIRIE CITY NEWS.

September 1, 1891.

A few accidents happened in the last week.

Mrs. Rinearson is running the Hartley hotel.

Mr. Walters, of Lake View, is visiting our town.

Mrs. Blake and daughter have been visiting relatives at this place.

A social dance at the Grange hall last Friday night, was enjoyed.

Prairie City needs a barber as Ralph Fisk wants to get shaved very often.

Frank Kingsbury and John Robinson, of the Malheur, are in the valley buying cattle.

John McGrath has quit running the warm springs stage—reduction of wages I suppose.

A large party of pleasure seekers visited Strawberry lake last Tuesday. They report a good time.

McHaley Bro's have started a candy store in the Rinearson drug store. They also have fine milk shakes.

"Ten Dogs" had his whole band of mules shot the other day. It is too bad. They that have must lose.

Some of the citizens of this vicinity have organized a jockey club with J. J. Cozart president and John Laurance secretary. The club adjourned with twenty members for a start.

George Birge and family met with quite an accident yesterday. They were coming to town in a cart when the horse fell, tumbling them all out. Mrs. Birge receiving a sprained wrist and the baby was slightly hurt.

A match race was run last Wednesday between a gray horse owned by Johnson, of Burnt river, and a black mare owned down the river. It was declared a draw by the judges, but it was the opinion of all that the gray horse won.

Burt Babcock met with an accident last Saturday while up at the ranch two miles northeast of town. He was climbing over a fence with a scythe in hand, and in jumping from the fence the scythe caught precipitating him upon the blade. An ugly wound was made on the leg below the knee cap. Dr. Tibbalds sewed it up, and at present the patient is doing well.

James Harding met with a serious accident last week as he was leading three head of horses. They became frightened and ran away with him, and his feet becoming entangled in the ropes the animals dragged him quite a ways. He did not know how far the horses had dragged him. The back of his head was bruised up pretty badly, also an ugly wound on his leg. He was gaining slowly at last accounts.

Our worthy detective had a case last Sunday and was gone for awhile. He borrowed a pair of gloves, and skipped out, but where did he go is the question. He said he was going to Canyon, but he was not seen down in that part of the world. I think he must have stopped short of Canyon, for when he came back in the evening he had a smile on his face from ear to ear. That is right go and see your sweet I won't say anything about it.

THE HEPPNER WAREHOUSE

Has been enlarged to accommodate the increasing business. The wools of this section which accumulate at Heppner, attract all the leading Western buyers to that point, and make it the best market in which the grower can dispose of his clip.

Last season over 1,000,000 pounds of wool was sold in Heppner at prices which averaged the grower more clear money than was realized by sales of similar wools in other western markets more distant from the manufacturing centers of the East.

Teamsters charges advanced on written orders. Cash advanced on wool in storage.
