RISE IN SUGAR

The Markets Show But Few Other Changes.

The long-expected has happened-sugar has begun to advance. This morning the street was notified that the quotations were loc higher.

There is a small decline today in small white beans. Butter is weaker, the best creamery being quoted at 2244225c per pound; dairy, 15@18c; store, 124@14c. The receipts of butter the past week have been very large, California sending an unusually large supply, and the production of Oregon butter has been very heavy.

heavy.

The receipts of poultry the past week have been somewhat liberal, but as the demand is excellent, prices are steady.

The steamer Columbia will arrive from san Francisco late this evening, and on Monday the supply of fresh greens will be more plentiful. Oregon vegetables are beginning to come in and the shortage in the market will be supplied.

Testerday was an off day in the Chicago markets, the receipts of livestock not cutting much of a figure. The quotations remain the same.

Bran has advanced a triffe, the quotations now being \$17 a ton. The gram market is still in a quiet condition.

Mohair has begun to arrive, the first shipments being quoted at 12c.

SALEM BRIEFS.

(Journal Special Service.) SALEM, April 5.-The unusually large number of hop contracts which are being filed has resulted in a new record being made in the office of County Recorder Roland during the past month. Four hundred and four dollars and forty cents was received in all, this amount being about \$60 more than has ever been reesived in and one previous month since the present incumbent has been in of-

fice-four years. The State Treasurer today received the following payments of State taxes: From Harney County, \$7160 State and \$200 Agricultural College tax; from Grant County, \$3234 State and \$230 Agricultural Col-

MARION DEMOCRACY REAL ESTATE

A Quiet Convention is Being Held FARMS, CITY PROPERTY

(Journal Special Service.)

SALEM, April 5.—The Democratic county convention being held in Salem today is a comparatively quiet one. There is little contest for the mass of the places and interest centers in the nominations for State Senators and for Joint Senator with Linn County. For State Senator L. H. McMahon, who has recently declared himself a candidate as an Independent, is moving heaven and earth to have the Democrats leave him an opening, claiming that, as he is avowedly opposed to Croisan, the Republican nomince, a victory for him would be equal to a triumph for the Democrats. This some of the Democrats view as a scheme to divide their strength and to land either McMahon or Croisan-whom they claim is at the bottom of the plan-in the office. This impression being prevalent, there is a strong probability that a straight Democratic ticket will be named throughout.

The possibility of fusion with the disgruntled faction of the Republicans is so severely frowned upon as to have dropped out of sight entirely.

For Governor, George Chamberlain of Portland received an enthusiastic indorsement and the opinion is freely expressed by many well-informed politiclans that his popularity in Marion County will be a hard obstacle for the Re publican nominee to surmount.

At this afternoon's session little progress had been made, but it is well understood that Holmes of Salem and Tomlinson of Woodburn will be the nominees for State Senators and that John Jeffrey of Salem will be the nominee for Join't Senator with Linn, the office for which the late S. L. Hayden was slated, B. B. Colbath will probably receive the nomination for Sheriff,

DISSATISFACTION

Another Ticket May Be Named In Marion County.

(Journal Special Service.) SALEM, April 5 .- Dissatisfaction with the action of the recent Marion County Republican convention is quite general here and may result in the candidacy of so many disappointed aspirants for county offices as to seriously menace the success of the party ticket. The latest indication of this is to be seen in the proposal, first broached publicly today, to nominate J. Henry Haas, an old-time resident of Salem, for County Treasurer as an independent. Mr. Haas has not as yet definitely decided to stand, but it is throught there is little doubt that he will accept the proposal,

WEBFOOT CAMP.

Woodmen of The World Ready for the New Building.

A regular meeting of Webfoot Camp, No. 65, W. O. W., took place last night at their regular meeting hall, at which some of they most prominent members of the order were present. The camp voted to subscribe \$5,000 for stock for the proposed Wodmen Hall. In addition to the stock subscribed, prominent members promised that individually they would take large blocks of stock.

The required stock has nearly all been subscribed for and plans will soon be completed for erecting the hall. The Woodmen wish to purchase a quarterblock if possible, as the cost of the building to be erected will depend on the site chosen.

The money for the building will be raised by bonds and a mortgage on the grounds.

During the meeting H. Claussenius handed in his resignation as banker of the camp and T. J. Murphy was elected to fill out the unexpired term.

Pencil Pushers' Jaunt.

The annual convention of the National Editorial Association, which convenes at Hot Springs, Ark., April 15-18, will be largely attended from the Northwest. There are five different editorial associations in the Northwest affiliated with the National. These will send 32 delegates. The party leaving Portland will consist of J. E. Zane of the Oregon Reporter, M. D. Wisdom of the Rural Spirit and Albert Tozier, president of the National Editorial Association, who will represent Portland. The party will be poined at Cheyenne by the Wyoming and Utah delegations. Colonel F. J. Parker of the Walla Walla Statesman and president of the Lewis and Clark State Commission, will deliver an address on the 1906 Centennial. April 25 is Oregon Day at the Charleston Exposition, and the delegates will leave Hot Springs for that city on April 22.

WOMEN MAY PRACTICE.

(Journal Special Service.) ANNAPOLIS, Md., April 5.—The house by a vote of 54 to 5 passed the senate bill to permit the admission of women as members of the bar. An amendment was adopted to the effect that no one should be denied admission to the bar, "on account of race, color or previous condition of servitude."

The senate passed the bill as amended by the house, and it only needs the sig-nature of the governor to become a law. Much opposition to the house amendment was shown, but rather than endanger the was shown, but rather than endanger the should be excluded from the United bill its friends in the senate accepted it. CITIES BUILD DOWN STREAM.

All great cities on navigable streams start at the head of navigation and build down stream. This rule has no exception. The railroad to St. Johns opens the way for Portland to follow the rule. There will soon be a solid city to the point of the Peninsula, and University Park will be the center of wealth and culture of all the city between the rivers. Nobody will dispute this statement- If you are a stranger here step into any place of business and ask, "What is the course of the business growth of the city? The answer will be as above stated. Now is the time to get a few lots at University Park while they are yet cheap. We have Columbia University, Portland public schools and Bull Run water, street cars, homes costing from \$1000 to \$10,000, graded boulevards, graded streets, sidewalks, electric street lights. Lots \$75 to \$200 each. Terms \$5 cash and \$5 monthly. No interest, no taxes, no shanties, no saloons. Abstract with each deed.

WONDERFUL CAVE.

(Journal Special Service.) BUTTE, Mont., April 5 .- A special to the Miner from Kendall says a most wonderful cave was discovered in the Abbey mine. In extent and novelty this cave surpasses anything of the kind yet encountered in a gold mine. A peculiar feature of this freak of nature is that it is found in an immense ore

The main chamber in the cave presents most beautiful appearance. Portions of the walls are decorated with masses of crystalilzed lime, and the roof is hung with stalactites. On the floor of the cave are hundreds of tons of ore that has been broken down from the vein, as one side of the cave is formed by the foot-

ALTON, ILL., April 5.-William Cole. the Alton man sentenced to 100 days in jall as a lazy man. was given his freedom Easter Sunday. His wife was given a divorce last Wednesday. Cole, on leaving jail, thanked the chief of police and humane officer, Mrs. Demuth, for securing a divorce for his wife. He said he had tried for years to get rid of her-that she always abused and persecuted him. He says an old love of his in Missouri read of his tnoubles, told him she is now a widow and loves him yet. Bill loves her, too, and says they will be married shortly. The police saw the letter from Missourl and verify his story.
