DEMOCRATIC STATE CONVENTION IS IN SESSION TODAY

CHAMBERLAIN WILL BE NAMED FOR GOVERNOR

The Democratic State Convention is in session today in Catholic Foresters' Hall. It is a representative and brainy body of men.

Every county has nearly the entire delegation present and only a few of the delegates are represented by proxy.

The leaders and the rank and file of the delegates seem imbued with the idea of success at the coming election, and entered into the routine work of organization with a spirit of earnestness and zeal.

True to Democratic traditions, nearly all the members of the body show a desire to speak at once, and often the spectacle of a dozen or more men on the floor at once is seen.

The body of the hall is well filled with the delegates and the galleries are crowded with spectators. Many ladies are present.

George E. Chamberlain of Multnomah County will be nominated for Governor by acclamation. The remainder of the State ticket will be filled by those whom the Democrats claim to be the best vote getters from different parts of the State.

Candidates for Congress from both the Oregon districts will be selected.

The convention will be likely to conclude its labors very late this afternoon.

Captain Samuel White, chairman of the State Central Committee, called the convention to order at 11:15 o'clock. Most of the delegates were in their seats.

The chairman in a few well-chosen words explained what the convention was expected to do and counselled harmony and a close adherence to the fundamental principles of Democracy—"equal rights to all and special privileges to none." These, he said, were the cardinal factors of the party, and should permeate all the acts of the convention. He denounced the Republican party as a party whose policy was to benefit the classes at the expense of the masses. He referred to the Declaration of Independence as a document held lightly by the Republicans, as the frothings of a set of old men uneducated in the views of Mark Hanna and men of his ilk.

"The Democratic party of Oregon is here today," said he, "as a protest against the dangerous tendencies of the Republican party, and we propose today to name a ticket and a platform that will appeal to the people at large."

TEMPORARY OFFICERS.

Thomas H. Crawford of Union County obtained the floor and nominated for temporary chairman E. R. Skipworth of Lane County. Horace Mann moved that the rules be suspended and Mr. Skipworth's nomination be unanimous. This was carried amid great applause.

The temporary chairman made a neat and brief speech in taking the chair. Like Captain White, he advised harmony and moderation. He congratulated the Democrats on the signs of the times, which indicated Democratic success in June. He counselled reform in the administration of school land affairs; a tariff for revenue only; opposition to ship subsidies; free trade with the colonies, and a true democratic policy in all things.

Charles E. Galloway of Yamhill County was nominated for temporary secretary. On motion of E. W. Sears of Polk the nomination was made unanimous. R. B. Montague of Linn County was elected assistant secretary.

THE COMMITTEES.

F. V. Holman moved that a committee of five be appointed on credentials. This was adopted.

Mr. Garland moved that a committee of five on order of business and permanent organization be appointed. Adopted.

The chair then appointed the following committees:

Credentials—C. H. Chase of Baker, H. H. Veach of Lane, F. W. Durbin of Marion, W. A. Munley of Multnomah and Robert Johnson of Benton.

Permanent organization—S. M. Garland of Linn, Judge B. F. Wilson of Union, W. W. Ogleeby of Lane, J. C. Welch of Multnomah and J. Nat Cooper of Baker.

A MISUNDERSTANDING.

The convention was on the eve of an adjournment until 2 o'clock when E. A. McDaniel of Baker County asked that a committee on platform and resolutions be appointed. He moved that the roll of the counties be called and that each county delegation appoint one member of the committee. A dozen men tried to speak.

T. H. Crawford of Union County opposed Mr. McDaniel's motion and said the appointment of the committee on platform should be vested in the permanent chairman.

Colonel R. A. Miller of Clackamas County explained that at the caucus last night a compromise was effected whereby it was agreed that the temporary chairman should name the committees on order of business and credentials and the permanent chairman, who was to be A. D. Stillman of Umatilla County, would name the committee on platform.

The chair said that no such compromise had been made and that Colonel Miller's statements were entirely unfounded. Mr. Garland of Linn made a point of order that, as the county delegations named the committee according to the terms of the motion, no power was given to either temporary or permanent chairman. Mr. McDaniel's motion was finally adopted.

Then on motion of F. V. Holman of Multnomah County a recess of 15 minutes was taken to allow the delegations time to select the platform committee.

COMMITTEE ON PLATFORM.

The secretary then called the roll, and the following committee on platform was then appointed:

Baker—E. A. McDaniel.
Benton—W. S. McFadden.
Clackamas—W. H. Vaughan
Clatsop—Herman Wise.
Columbia—P. S. Husignott.
Coos—T. R. Sheridan.
Curry—T. P. Sheridan.
Douglas—O. P. Cashow.
Gilliam—E. P. Wier.
Grant—V. G. Cozad.
Harney—Thornton Williams.
Jackson—Charles Nicholls.
Josephine—R. B. Smith.
Klamath—George T. Baldwin.
Lane—Lark Bilyou.
Lincoln—Allen Parker.
Linn—E. J. Seeley.
Malheur—William Marfitt.
Marion—Frank Carby.
Morrow—J. W. Morrow.
Multnomah—N. A. Peery.
Polk—J. H. Townsend.
Sherman—John Fulton.
Tillamook—J. P. Dellman.
Umatilla—E. D. Boyd.
Union—T. H. Crawford.
Wallowa—A. S. Smith.
Wasco—F. A. Sulfert.
Washington—John M. Wall.
Wheeler—E. L. Keeton.
Yamhill—R. L. Harris.

It was then announced from the chair that the platform committee would meet at Democratic headquarters immediately after adjournment.

The committee on credentials remained in the hall and formulated its report. The Marion and Linn County delegations remained in the hall to caucus, and the Multnomah and Clackamas County delegations were asked to meet in the hall at 1:30 o'clock to caucus on joint representative.

The delegates from the eighth and 25th judicial districts were asked to meet at the Imperial hotel during recess to caucus on candidates.

The convention adjourned at 12:30 o'clock until 2 o'clock.

AFTERNOON SESSION.

It was 2:30 o'clock before the convention was called to order for the afternoon session.

The committee on permanent organization and order of business reported the following order of business.

First—Receiving report of committee on credentials.

Second—Election of permanent officers of the convention; A. D. Stillman, chairman, and the temporary secretaries be permanent; appointment of six tellers.

Third—That all candidates receive a majority of votes to be nominated.

Fourth—Report of committee on platform and resolutions. That all resolutions be referred to committee on resolutions.

Fifth—Naming of state central committeemen.

Sixth—Nominations of candidates as follows: Governor, Supreme Judge, Secretary of State, Treasurer, Attorney General, Superintendent of Public Instruction, State Printer, State Senator; a recess of 30 minutes to make selection of district officers and Congressmen; ratification of district nominations.

The chair appointed as sergeants-at-arms, F. B. Whitlock and Frank Effinger, both of Multnomah County. They were instructed to keep good order.

The chair asked for a report of the committee on credentials. The chairman was not present. Frank Durbin of Marion said he belonged to the committee, and was told it would meet in the Oregonian building, but he got lost in the shuffle. R. W. Montague said the committee was then in session in his office, and he would accompany Durbin to the spot.

Then on motion of Frederick V. Holman, a recess of 15 minutes was taken. This was the second recess of the day.

During the recess there was some talk of candidates. It was agreed upon that George E. Chamberlain would be placed in nomination by John P. Wager of Multnomah County. It will then be made a unaimous thing in quick order.

James H. Raley of Pendleton will be plcaed in nomination by John E. Lathrop of Umatilla County. John Henry Smith of Astoria has declined to stand for the nomination for Secretary of State, and Frederick Durbin of Salem says he will not accept the position of State Treasurer. Frederick V. Holman will make the nominating speech when Colonel W. F. Butcher is placed in nomination for Congress.

J. W. Morrow of Morrow County has declined to accept any nomination, and this makes clear that Henry Blackburn can be nominated for State Treasurer if he wants it.

The report of the committee on credentials was read and adopted immediately on the reassembling of the convention.

FIENDISH MURDERS

Girl's Throat Cut and Man Shot in Detroit.

(Scripps-McRae News Association.)

DETROIT, April 10.—Two mysterious murders were committed here last night. The first victim was a young woman, whose body was found in the street, her throat cut and head beaten. This morning she was identified as Carrie Jennette. She was in a delicate condition, and this is thought to have had something to do with the motive for the murder. Two arrests have been made.

The body was found on Thirteenth street, between Antoinette and McGraw streets. A resident of the neighborhood, Harry Jewell, heard cries and screams, and looking out saw a man striking a girl down. After felling her and running away a short distance, Jewell says the assailant turned again and renewed his attack on her prostrate body. Jewell notified the police, who found the girl dead. She was apparently a working girl. Several people residing in the vicinity of the murder were taken to the morgue by the police, but none of them could identify the remains until this morning.

The second murder was that of Geo. Heywood, whose body was found on the sidewalk. He had been shot in the head.

Wm. Jones, a boarder in the Heywood home, has been arrested for the murder.

The two men suspected of knowing something of the Jannette murder, arrested this morning have been released.

James Miller, the murdered girl's exmusic teacher, has been arrested. He fainted when charged with the crime. Blood stains were found on his clothing. He is married and has a family.

The dead girl's parents are well-to-do. Miller admits having been with the girl last night.

BESIEGED BY NEWSGATHERS

Miss Stone Discusses Her Captivity and Future.

(Scripps-McRae News Association.)

NEW YORK, April 10.—Ever since her disembarkation from the big steamship Deutschland today, Miss Ellen M. Stone has been besieged by newsgatherers. Representatives of newspapers in all parts of the country, as well as those of the great press associations, have been eager to secure her story of the capture of herself and Mme. Tsilka.

Speaking of her voyage across the ocean, Miss Stone said she suffered considerably from seasickness, but had recovered from the effects of her captivity.

Speaking of her capture, she said that the brigands fed her and Mme. Tsilka well, as they did not want the captives to become sick on their hands.

They became angry when Miss Stone caught cold, and when she sprained her knee, they were wild with rage.

Who her captors were she never knew.

Most of the time they traveled at night, and she had no idea where she was.

No personal cruelties were heaped upon the captives, because the brigands held to the ancient belief that to harm a young mother and child was terribly wrong.

Mme. Tsilka's baby was born in captivity.

All the money Miss Stone may make on her lecture will be used to repay those who contributed toward her ransom.

Representatives of the Presbyterian and other missionary societies with headquarters in this city met the incoming steamer and early in the coming week, according to arrangements which are being made, there will be a public reception in honor of Miss Stone.

The constitution and by-laws was read and after being amended, approved.

The question of a permanent exhibit was then brought up by Thomas Guinean, who read the following:

"We believe it essential to the upbuilding of the City of Portland and State of Oregon that the state should own a building suitable for the purpose of making an exhibit of the vegetable, cereal, horticultural and mining products of the state. The Exposition building possesses all the facilities required to make a splendid display of those products, and has ample grounds where an exhibition of the choice stock of the state could also be shown. It would be wise to have photographs of the various localities from which these products were taken, and also descriptive literature of the county showing the natural resources and all the other products for which the various counties are noted. This would add very materially toward the upbuilding of the City of Portland and the State of Oregon. Now that such a vast immigration is coming to the coast, this city should hold out every inducement to the intending settler and capitalists to locate here in Oregon. At the coming session of the Legislature the representatives of Multnomah County should use every effort in showing the representatives of the various state counties how necessary it is to have a building of this kind, where the great resources of Oregon could be concentrated and make a continuous display of our products. The State of Oregon is interested in this matter, and the property should be owned and controlled by the state. The Exposition building and grounds can now be purchased for $70,000; in a few years this property would be enhanced three-fold, and would bring excellent returns on the investment. Steps should at once be taken to bond this property, and secure an option on it for 18 months.
