

BASIN BOARD OF TRADE FINISHES MEETING

This morning's session of the Columbia River Basin Board of Trade was called to order at 10:30 by Judge Seneca Smith, who notified Ellis G. Hughes of his election as president of the board. Mr. Hughes thereupon said that he could not accept the office as he had made a failure of the same office in another organization—a, the Port of Portland Commission—and was afraid he would be the same here. However, he was finally prevailed upon to accept.

Joseph Gaston read a very instructive paper on "The Dalles and Gallo Portage Railway," showing advantages accruing from it.

Mr. Guinean again brought up the question of permanent exhibit and read a paper on this question which was printed in yesterday's Journal. This was also referred to the board of directors.

Mr. Welch of Astoria stated that a morning paper was in error regarding the fees of the organization; that it is \$1.50 per quarter for each member, instead of \$5, as the paper had stated.

At a rather lengthy communication was read from the Kallispell, Mont., Board of Trade, requesting the endorsement of the present timber and stone laws and the defeat of Clark's bill, which was done.

Papers were read regarding the advertising of the resources of Oregon and one giving Oregon life and fire insurance statistics which were referred to the board of directors.

A petition was read entitled "Needs and Requirements of the Astoria Chamber of Commerce." The points which the Astoria people wished to have endorsed are:

1. Continued improvement of the mouth of the Columbia River until there is 40 feet of water at extreme low water or tide.
2. Also continuous work on the Columbia River east of the Cascades until every portion and branch is open to navigation.
3. Improvement of all rivers of this basin until the waters are sufficient to accommodate the commerce of each and every section of this great basin.
4. The protection and propagation of salmon to the full capacity of the waters of the basin, and liberal appropriations by the Legislature of Oregon for that purpose.
5. A common point on all newspapers and freight with Seattle and Tacoma.
6. That all portions of Oregon have a common point with Portland on immigration.
7. That the State Board of Trade urge and encourage a farmers' congress for Oregon, and that the meetings be held in all parts of the state, and that liberal appropriations be demanded from the Legislature for its support.
8. That the secretary of proper fuel is a great detriment to cheap commerce of the Columbia River. We would therefore earnestly ask the assistance of the Basin Board and the commercial boards of Portland, to prospect thoroughly and develop the prospective coal fields of Tillamook, Clatsop, Columbia and Multnomah Counties.

Thomas Guinean opposed the endorsement of the petition, claiming that the organization is too young to concern itself with other matters. This called forth a fiery response from Welch of Astoria, characterizing the opposition to the petition as a "dirty shame, instigated by jealousy."

O. M. Rosendale, the mining engineer, read a very instructive paper on the needs of a smelter in Portland, for which a vote of thanks was tendered him.

The meeting then adjourned until June 17 next.

At last night's session of the Board of Trade the following officers were elected: President, Ellis G. Hughes; Vice-Presidents, James W. Welch, of Astoria; E. H. Jagger, of Lewiston; Seneca Smith, of Portland; T. A. Elliott, of Walla Walla, and C. C. Hutchinson, of Prineville; Secretary, James M. Moore, of Portland; Treasurer, E. Lee Paget, of Portland; Directors, F. A. Stokes, of the Astoria Chamber of Commerce; Robert Schlessler, of the Lewiston Commercial Club; W. H. Morrow, of the Manufacturers Association, Portland; T. J. Elliott, of the Walla Walla Commercial Club; J. A. Cunningham, of the Carlton Board of Trade; F. E. Besch, of the Portland Board of Trade; P. M. Fieldin, of the Hillsboro Board of Trade; E. D. Boyd, of the Pendleton Commercial Club.

A rather lengthy communication was read from the Kallispell, Mont., Board of Trade, requesting the endorsement of the present timber and stone laws and the defeat of Clark's bill, which was done.

Papers were read regarding the advertising of the resources of Oregon and one giving Oregon life and fire insurance statistics which were referred to the board of directors.

TOOK UP A COLLECTION.
 Captain Sam White took the floor and asked for money to run the campaign. "Talk don't go," said he. "We need the money."

Walter Pearce, of Umatilla County, led the ball and said as an old running mate of Farnish, he would individually give \$100 to the campaign fund. In short order the following subscriptions were made:

Walter Pearce, \$100; J. H. Robbins, \$100; W. F. Matlock, \$100; G. O. Downing, \$100; E. H. Test, \$100; two Multnomah delegates, \$100 each; A. D. Stillman, \$50; Wm. The Multnomah delegation was not all present and desired to caucus. Its contribution was deferred until the afternoon.

The convention adjourned until 1:30 o'clock P. M.

AFTERNOON SESSION.
 When the hour of assembling arrived a quorum was not present. It was necessary to kill some time and R. G. Smith, of Josephine, was selected as the best possible speaker. Mr. Smith was formerly a Republican; is a Native Son, a favorite son and a spell-binder. He closed by nominating for United States Senator, John E. Lathrop, of Pendleton. Mr. Lathrop declined in a good humored way.

Cashaw of Douglas and Judge O'Day of Multnomah, seconded the nomination.

UNITED STATES SENATOR.
 Mr. Fiegel, of Multnomah, nominated C. E. S. Wood, of Multnomah County. Osburn of Lane seconded the nomination of Mr. Wood.

T. H. Crawford, of Union, and Smith of Clatsop County, seconded the nomination. John Lathrop, seconded the nomination of Mr. Wood in a speech that made the rafters ring.

Captain Sam White spoke in favor of C. E. S. Wood. Col. W. F. Butcher, of Baker County, seconded the nomination of Mr. Wood. Walter Pearce, of Umatilla, spoke in favor of Mr. Wood.

On motion of F. V. Holman, of Portland, the nomination of Mr. Wood was made unanimous.

After three cheers and a tiger had been given for Mr. Wood, Judge G. A. Hartman, of Umatilla, who was absent this morning, contributed \$100 to the campaign fund. Col. W. F. Butcher, of Baker gave \$100. Hartman gave \$100. The other cheers were given for Eastern Oregon. E. B. Weil, of Gilliam, subscribed \$50. D. B. Watson, on behalf of the Umatilla delegation, gave \$50. Hill of Crook, on behalf of himself, gave \$50.

CONGRESSMEN.
 The swiftest time on record was made this afternoon when the delegates in the state convention divided, the members of the First district going on one side of the hall and the others on the other. The two conventions were held simultaneously and both were over in two minutes.

In the First district E. R. Skipworth was made chairman and J. K. Weatherford, of Albany, was unanimously nominated.

The convention of the Second district organized by the election of Judge Thos. O'Day chairman.

F. V. Holman nominated Col. W. F. Butcher, of Baker City, and the nomination was at once made unanimous. Ringing speeches were made by both candidates.

The convention then adjourned.

LAST NIGHT'S SESSION.
 With a singleness of purpose and an enthusiasm rarely if ever before witnessed in the political affairs of Oregon, the Democratic state convention last night nominated as a candidate for Governor, George E. Chamberlain, of Multnomah County. This nomination was the last and best work done by the body before adjourning until this morning.

The convention was delayed by the slowness of the committee on platform in making a report. The committee was very large, containing a member from each county, and the battle was all fought out in committee room. The plank relative to the policy of the government in the Philippines was bitterly fought over, and for hours it was believed there would be a minority report. When the platform was finally presented it was adopted by the convention with enthusiasm, without a dissenting voice.

SAM WHITE RE-ELECTED.
 The re-election of Sam White as chairman of the state committee was done late yesterday afternoon with almost as much enthusiasm as attended the nomination of Chamberlain for Governor. There was some talk of waiting until the candidates were named, but these suggestions were shouted down, and on motion of Colonel W. F. Butcher of Baker County, who made an eloquent speech, Captain White was elected by acclamation.

Thought 'Twas For Dealers Only

But the Wholesale Prices Apply to Portland Retail Buyers—Special Price Inducements on Strictly Good Pianos, Also Most Favorable Terms of Payment Offered Now by Eilers Piano House.

A dealer not acquainted with Eilers Piano House methods thought that our announcement last Sunday to sell these \$300 pianos for \$248 was intended only for the wholesale trade. But he was mistaken. We wish to sell something like three carloads of the very best medium-grade pianos ever shown in Portland. And we will give all retail buyers the benefit of this exceptional opportunity. These pianos were originally sold by another retail house for \$300 heretofore. These instruments are greatly improved, and better than they were when they were sold at the above-mentioned figures heretofore. In fact we doubt very much as to whether a San Francisco branch store is getting its pianos from San Francisco jobbing-houses or on consignment from money brokers could afford to sell them for less than \$250 even now and make a living profit. But we are going to sell these instruments quicker and therefore ask only \$248 each for them, and the piano styles for \$125 and \$150. Then to make it an object for you to take one of them quickly, we will sell you the piano on payment of \$10 down and \$5 a month. Remember the price, \$248, \$175 and \$150, one and the same to all alike, no more will be asked, no less will be accepted; 3 per cent off for all cash, or \$10 down and \$5 a month, with interest on deferred payments at 3 per cent per annum. These are all three-stringed pianos, with full 7-1/2 octave, ivory keys—not celluloid but ivory keys—hand carryed. Full swing music box, rolling fall board, continuous hinges, full iron frame, bushed tuning pins, double repeating action, in cabinet grand size, veneered in mahogany oak and Brazilian walnut.

We are sure you will not find a single one of these pianos on hand by the end of next week. Better come in today and pick out the one you like best.

These pianos are fully warranted and while we are willing to take \$125 and \$175 and \$150 for them, rest assured they are in every way as good and as valuable as the instruments were heretofore when sold for \$300.

It is not that we are selling cheaper pianos, but we're selling pianos cheaper. We have sold you here in collecting four leading stores in four leading cities under one management we save money in buying large quantities of pianos and we save money in shipping them without boxes; how our store rents are less per piano sold than any other dealer's, and our selling expense is less by many dollars than other dealers or agents, large or small.

That's how we can sell these pianos at these low figures now, and still say that we are standing back of every representation that our salesmen make regarding them. "Money back if not satisfied" applies to these pianos, as well as to the highest priced Chickering and Weber and Kimball. See them at once. Bring \$10 for a first payment down and pay the rest as you wish. Remember the place and street number, Eilers Piano House, 321 Washington street, opposite Corday's Theater.

 Mrs. V. Harger, applicant for a divorce from John A. One night she protested against him going out on a spree and he got up between 11 and 1 o'clock and left home, saying he would never live with her again. After this he kidnapped her youngest child, but the mother recovered it again. She testified that he had many times during their married life threatened to kill her.
