Classified Ads

"Little and often fill the purse."

Is only another way of saying that little ads., often changed and used all the time, bring good results.

In no way can you do this so cheaply and effectively as in the Classified Ads of THE JOURNAL.

These ads, like "Little drops of water" and "Little grains of sand," are small—but immense in their results.

A RECORD HARVEST

Bradstreets trade review says: "Weather conditions have been favorable and the country is a week nearer to realizing the largest harvest in its history. Fall trade has expanded and in the West and Northwest may be said to be in full career with every sail drawing and the best possible outlook both as regards agricultural yields and prices. Nothing like the present activity in hardware is recalled. All markets report heavy orders in this line and Chicago notes large sales for spring delivery. Tin is weaker on lower foreign markets. Business failures for the week ending August 14 number 161 as against 169 last week and 178 in this week last year. Total bank clearings U. S. for the week, $2,005,100,000, an increase of 19.7 over the same week last year.

Wheat stocks, United States and Canada, on August 1st, aggregated 33,700,000 bushels as compared with 44,800,000 on the same date last year, 66,100,000 in 1900 and with the exception of the years 1897 and 1898 the smallest amount on hand in that month of any for ten years past. Pacific Coast stocks, August 1, 1902, were 2,345,000, the smallest of any month with the exception of 1896 and 1897, for ten years.
