Chase Returned East and Laundry Workers Disappointed.

The lecture that was to have been given by John E. Chase, the "shoemaker mayor" of Haverhill, Mass., in Portland last night, under the auspices of the Laundry Workers' Union, has been postponed indefinitely. A letter has been received from Mr. Chase's secretary stat-

> ing that that gentleman had received the nomination for governor of Massachusetts on the Socialist ticket, and was compelled to return East immediately. The Laundry Workers are greatly disappointed at the way matters, terminated. Over 600 tickets had been sold for the lecture. Mr. Chase had intended dolivering several lectures on the Coast, and it is quite probable that all such

careful attention as heretofore and a continuance of their patronage is solicited.

The Oregon Water Power & Railway Company have just built a new car to run on the Mount Scott division. It consists of two separate apartments, one for ladies and one for gentlemen. It was ponstructed under the direction of Superntendent Tiffany, and is one of the handsomest cars ever built here.

Geo, D. Calbertson, of Hood River, calls The Journal's attention to a slight arror in one of its articles a few days ago. In speaking of some very beautiful apples from that neighborhood, the statemen was made that they came from Wolf River. There is no such place, the apples being grown in Hood River Valley, and being of the "Wolf River" variety.

A. L. Craig, general passenger agent of the O. R. & N. Company, returned yesterday from The Dalles, where he attended the fruit fair. Mr. Craig was favorably impressed with the fruit display and has arranged to send some of it to the immigration board of the Harriman lines at Chicago for exhibition in the East. Mr. McKinney is at the head of the Iminigration Bureau.

The opening meeting of the Council of Sewish Women takes place Wednesday afternoon at the Selling-Hirsch building at 3:30 o'clock. The calendar of the year's work is very interesting. It has been put In attractive book form and will be distributed to the members at the first meeting. The program for next Wednesday embraces several papers and a vocal solo by Mrs. John F. Logan.

Mrs. Amos J. Cummings, widow of the late Congressman from New York, arrived at the Imperial last evening under the care of E. G. Van Ness, of South Norwalk, Conn., a very prominent New Englander, and a former friend of Congressman Cummings. Mrs. Cummings is in search of rest and recuperation, and is much called on by friends and admirers of her late husband, journalist and statesman. Few men had more personal friends than Mrs. Cummings' lamented husband. He was for many years the Washington correspondent of the New York Sun, and helped make it "shine for all."

#### Portland Club, Fifth and Alder. Finest lunch in city. Portland Club. Fifth and Alder.

Sunday Trolley Rides.

The O. W. P. & R. Co. will give a 30infnute service on its Oregon City division tomorrow; cars every 20 minutes to Mount Tabor, Mt. Scott and the East Side reservoirs. Cars leave from First and Alder streets.

Round trip 25 cents if tickets are purhased at the company's ticket offices, igst and Alder streets, or Forbes-Janeke Store on the East Side.

At 1 o'clock on Tuesdays, Thufsdays Brat regiments.

Preaching at 11, theme, "The Waters for Christ." Christian Endeavor at 6:30, leader. Monroe Barto, Preaching at 7:39. theme, "The Physician Calls." The paytor, Rev. W. G. Fisher, will occupy the pulpit morning and evening. Official board meeting Tuesday evening. Prayer

Evangelical Association. At the First English Church of the Evangelical Association, corner East Sixth and Market streets. Services will be as follows: Sunday school, 10 a. m.: Y. P. A., 3 p. m. Preaching by the pastor, Rev. G. W. Plumer; subject of the 11 a. m. sermon, "The Exceeding Joy of

Salvation:" 8 p. m., the theme will be "The Reflection of the Character of welcome.

#### Christian Science.

At First Church of Christ (Scientist), CIVIC IMPROVEMENT on Twenty-third street, near Irving, services will be held at 11 and 8. The subject of the sermon is "Are Sin, Distase and Death Real?" Children's Sunday school meets at 12:10; Wednesday even-Hold Meeting and Transact Much ing meeting is held at 8 o'clock. The free reading room is open daily from 10 to 5, and 7:30 to 9, at rooms 2, 3 and 4, Hamilton Building, 131 Third street. All are cordially welcome at services and reading room. A. L. Mills was elected vice-president

St. David's Episcopal. The services tomorrow in St. David's Episcopal Church, corner East Morrison and East Twelfth streets, Bev. Geor. B. Van Waters, D.'D., rector, will be as follows: Holy Communion at 8 a .m.; Suhday school, 9:45; morning prayer and sermon at 11; evening prayer and sermon at The services in St. Paul's Church. 7:30. Woodmere, will be at 3 p. m.; Sunday school at 2.

## East Side Spiritualists.

services at Logus Hall on East Washington street and Grand avenue, at 11 %. m. and 7:45 p. m. Services conducted by Rev. G. C. Love, Mrs. McIntiře, Prof. Sterling and Mrs. G. C. Love.

First Universalist.

The Scandinavian Evangelical Lutheran Church, corner East Grant and Tenth four hours ahead of other lines,

coast and interior points routed via direct all rail lines. This route is necessarily less expeditious than an all rail service, but shippers who do not need fast time and expedited service-take advantage of the "freight differential."

#### Mr. Trumbull. B. H. Trumbull, Commercial Agent Illi-

nois Central-A "freight differential" is And Elect Ten More Directors to an allowance in freight rates made by the stronger lines to the weaker ones, which permits the latter to share in the traffic. It is in effect an equalization of the superior conditions enjoyed by the stronger The meeting of the stockholders of the lines. Lewis and Clark Fair, which will take Mr. McBride. W. C. McBride, General Agent Rio

teresting, as ten new directors will be Grande Lines-The ferm differential as applied to freight rates refers to rates The names of the proposed directors not applicable via standard routes. In will be suggested by the old directors and other words it is a certain reduction or will be voted on by the stockholders. allowance in favor of weaker routes by Five of the ten directors to be elected reason of inferior service such as canal will probably be selected from the state at large outside of Portland. Many names or boat lines. have been mentioned for these places,

#### Mr. Sisler.

H. L. Sisler, General Agent C., St. P., M. & O.-A freight differential is an allowance made certain lines on business they could not secure on even rates. For exof Baker City, and C. C. Beekman, of ample: The boat lines are allowed a cheaper rate on freight than all rail lines enjoy. Two or three handlings are necessary on business via the lakes, while all rail shipments come through without any change.

> Mr. Gorham. L. B. Gorham, General Agent Rock Island System-A freight differential is given to equalize the difference between a longer or weaker line as against the shorter or more powerful lines.

#### Mr. Miller.

of the Lewis and Clark Civic Improve-R. B. Miller, General Freight Agent O. ment Association for the Second Ward R. & N. Co .- A freight differentiat is the at a meeting of this Association last difference between the freight rates of evening at 246 Washington street. Thomshipments by rail and those by water. as McCusker was empowered to call on The ocean liners between San Francisco the Chief of Police and ascertain whethand Portland enjoy a differential. The er a special officer will be granted the idea is to place the rates on a parity with Association or which er the regular policethose of the railroad, which service is no men will attend to the obstruction of doubt far better than that of the ships sidewalks and the nuisance of low awa-

#### Mr. Eckenburger.

A protest regarding the obstruction of H. C. Eckenburger, Commercial Agent Michigan Central-A freight differential is a less rate allowed an inferior line from and to a given point.

#### The Dictionaries.

The Century Dictionary gives no railroud definition of the term "freight differential," but states that a differential is "making or exhibiting a difference or distinction; discrimnating; distinguishing;

Other dictionaries give still less satisfactory definitions. Ift, in general, we can conclude that the term so far discussed simply implies an allowance given inferior lines on freight between two points so as to equalize existing couditions.
