BIG WHEAT SHIPMENTS.

Joseph McCabe, vice-president of the W. & C. R. Railway, says that 3,000,009 bushels of wheat have been warehouse.) along that line and that 60 days' heavy work moving is in sight at the present time. This includes the length of the line in Umatilla, Walla Walla and Columbia Counties. It is estimated that 4,500,000 bushels of grain were raised along the W. & C. R. this year, which

leaves 1,500,000 yet to be hauled. This incoming rush, for nearly everyone wants to haul now, is what is causing the crush at warehouses where cars cannot be secured. The officials were unable to say what per cent of this had been sold.

It will take from 50 to 60 cars a day for two months to move the grain along the W. & C. R., General Freight Agent Calderhead estimates.
