Portland was shut out in the first game of the Helena series yesterday. They will have to win five straight games from Helena in order to get the third place in the percentage columns of the Northwest League. The diamond was a mud-puddle. The fight was a pitchers' battle. In the third the visitors brought in three runs. This is all the business that was performed during the game by either side.
Thompson, for Helena, struck out nine men. What few hits he did allow were scattering, and no benefit came to the home team from them.
Brown, the center fielder of the Helena team, was hit on the head by one of Witbeck's pitched balls. Umpire Lynch made his first appearance at Portland as an umpire. Last year he played here with Tacoma.
