## A Love That Was Stronger Virtue Led American Girl to Shame and Death.

PARIS, Nov. 20.-Captain Dazowski, an officer in the Russian Imperial Guard, was arrested today, charged with the murder of an American girl known here as Helen Gore. When first taken into custody be declared his revolver was discharged accidentally and the girl was in the way of the bullet. After being taken to the station house, however; he declared the young woman committed suicide. Miss Gore came here from the United States for the purpose of studying music. She met the Russian officer, was captivated by his dashing appearance and gave up her virtuous life to become his mistress.
